Re: Our Client: City of Fountain Valley
Issue: Support for Revision to Regulation 18705.5 / Statement of Disagreement with Warning Letters for Larry Crandall and Steve Nagel (FPPC Case No. 11/1041)

Dear Mr. Morazzini:

The City of Fountain Valley (“City”) supports the revision to Regulation 18705.5 (the “Regulation”) proposed by the cities of Anaheim, Dana Point, Irvine, La Palma, Newport Beach, San Clemente, Villa Park, and Yorba Linda and filed by Ash Pirayou of Rutan & Tucker. The City also asks that a copy of this letter be placed in your files of Council Members Larry Crandall and Steve Nagel who have decided not to fight the warning letter due to the expense and trouble of further proceedings but who, along with the entire City Council, believe that the Regulation goes beyond the authority of the FPPC and is unworkable.

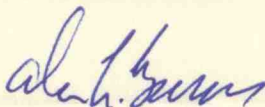

The Fountain Valley City Council has unanimously passed the attached Resolution supporting the amendment of the Regulation for the reasons set forth therein. Those reasons include that the current Regulation goes beyond the authority of the FPPC in that it is contrary to a voter-enacted statute, Government Code section 82030, which provides a clear and unequivocal exemption. The current law also is cumbersome in that it makes for an awkward appointment process since the person who would be the prospective appointee would need to step out before he could advise if he would be interested in serving. The process is especially unworkable if more than one council member might be interested in serving.

For these and the reasons stated in the accompanying Resolution, we join with the other cities who are urging a revision of the Regulation. We are encouraged by the interview in the Daily Journal that the Chairwoman intends to concentrate on serious violations of the CPRA, and we believe the revision to the Regulation would eliminate a technical violation that should not exist.

Therefore, we ask that the Commission consider these comments, that the Enforcement Division place a copy of this letter in the files of Larry Crandall and Steve Nagel, and that the same be posted along with the warning letter the FPPC intends to post. Alternatively, we believe that if the Regulation is revised to eliminate this violation, the warning letters should also be rescinded.

Sincerely,

HARPER & BURNS LLP

RESOLUTION NO. 9354

**A RESOLUTION OF THE CITY COUNCIL OF THE
CITY OF FOUNTAIN VALLEY SUPPORTING THE
PETITION TO AMEND TITLE 2, CALIFORNIA CODE
OF REGULATIONS SECTION 18705.5.**

WHEREAS, Government Code Section 87100 of the Political Reform Act of 1974 (Government Code Sections 81000 through 91014) prohibits a public official from making or participating in the making of a decision which could have a reasonably foreseeable financial effect on the public official's "financial interest"; and

WHEREAS, Government Code Section 87102.5(b)(2) states that a "financial interest" means "an interest defined in Section 87103"; and

WHEREAS, Government Code Section 87103 provides that a public official generally has a financial interest in a decision within the meaning of Government Code Section 87100 if it is reasonably foreseeable that it will have a material financial effect on: (1) the public official, which includes income to the public official; (2) business entities or real property in which the public official has a financial interest; or (3) any of the public official's sources of gifts and sources of income; and

WHEREAS, Government Code Section 82030 defines "income" as "a payment received, including but not limited to any salary, wage, advance, dividend, interest...reimbursement for expenses, per diem," etc.; and

WHEREAS, notwithstanding the above, Government Code Section 82030(b) provides that "income" does not include "salary or reimbursement for expenses or per diem...or other similar benefit payments received from a state, local or federal government agency...";

WHEREAS, pursuant to state law the City Council is required to appoint, from among the members of the City Council, one of its members to sit on various regional boards of public agencies in Orange County, such as the Vector Control District, Sanitation District, Public Cable Television Authority, and others; and

WHEREAS, council members who are appointed to these boards typically receive a per diem for each meeting of the board that they attend and are receiving a "per diem" or "salary" from a local government agency which, pursuant to Government Code Section 82030, is not considered "income" and, thus, not a "financial interest"; and

WHEREAS, the amount that council members receive for serving on these public agency boards is governed by state law and within state law parameters determined by the boards of these public agencies, not by the City Council; and

WHEREAS, the Fair Political Practices Commission ("FPPC") is authorized pursuant to Government Code Section 83112 to adopt, amend, and rescind rules and regulations to carry out the purposes of the Political Reform Act on the condition that such rules and regulations **are consistent** with the Political Reform Act; and
