Dear Fair Political Practice Commissioners,

My name is Robert Peschko. I live in Placer County and am a constituent of Placer County Board of Supervisor Kirk Uhler.

I have recently become aware of his failure to disclose a huge raise for his wife. His attempt to hide this information from the public should not go unpunished. Please uphold the intent of the Political Practices Act and censure or fine Supervisor Uhler for his blatant attempt to circumvent the law.

Politicians lining their pockets...just like on TV...the gift that keeps on giving! **How is this different than stealing?**

Respectfully,

Robert Peschko
