### EXTERNAL EMAIL

To Whom It May Concern;

I have been a resident of San Simeon for the past 4 years. I remember reading about problems with the San Simeon sewer before I moved here. Charles Grace was hired after the incidents as the general manager for the SSCSD and since he has been the manager the sewer has been functioning well.

As a resident, I find that the sewer and water systems work very well under Mr. Grace's management. I do not believe he has intentionally caused the San Simeon community any harm, and in fact, I believe he has been an asset to the community serving as the SSCSD's general manager.

Sincerely,  
Mary Ann Carson
