To the Honorable FPPC Board,

I understand that tomorrow morning you will be discussing the Oceanside Unified Fair Political Practices case. I want to comment that using tax dollars to promote incumbents in the 2024 election as I understand Oceanside Unified School District was to have done is totally wrong. Please do not let the children, the parents and community and everyone who wants something right done as a whole down. Please investigate this and if corruption has happened then whatever monies were taken in inappropriate ways please have the culprits have to return those funds, and hold them accountable.

Thank you,

Mary McBride
