To: Chair Ravel and Commissioners Eskovitz, Garrett, Montgomery and Rotunda
From: Tina Z. Bass, Chief, Administration Division
Subject: Administration Division Report
Date: March 2, 2012

On March 1, 2012, the first phase of a new cleaner and more accessible website was released. The intent was to make information more accessible and easier to locate. This first phase is primarily structure of the website, restructuring existing pages for more efficiency, a cosmetic update and an enhanced search function. We will continue revisions to the website over the next few months.

We have experienced some staffing changes. Following is a listing of hires and separations since the previous report:
