

(Regulations of the Fair Political Practices Commission, Title 2, Division 6, California Code of Regulations.)

**§ 18312. Rulemaking Procedure.**

(a) Definitions.

(1) Administrative Procedure Act: All references in this regulation to the "Administrative Procedure Act" are to the provisions of the "Administrative Procedure Act" that were in effect as of June 4, 1974 (former Government Code title 2, division 3, part 1, chapter 4.5, section 11371 et seq.).

(2) California Administrative Register: All references in this regulation to the "California Administrative Register" are to the California Administrative Register as set forth in Government Code section 11409 as that section existed on June 4, 1974, or to any successor publication of the Office of Administrative Hearings, as defined in subdivision (a)(4) of this regulation.

(3) Notice: The notice of the adoption, repeal, or amendment of any Commission regulation shall include all of the following:

(A) A statement of the time, place, and nature of the proceedings;

(B) Reference to the authority under which the regulation is proposed and reference to particular code sections or other provisions of law which are being implemented, interpreted, or made specific;

(C) Either the express terms or an informational summary of the proposed action.

(D) A cost estimate prepared as prescribed by the Department of Finance.

(4) Office of Administrative Hearings: All references in this regulation to the "Office of Administrative Hearings" are to the Office of Administrative Hearings as set forth in

Government Code sections 11371 et seq., as those sections existed on June 4, 1974, and to any state agency that succeeds the Office of Administrative Hearings, including the Office of Administrative Law.

(5) Regulatory Action: "Regulatory action" includes the adoption, repeal, or amendment of any Commission regulation.

(6) Trade or Industry Publication: "Trade or industry publication" includes the California Administrative Register.

(b) Adoption, Amendment, and Repeal of Regulations.

(1) The Commission or Commission staff may schedule a public "interested persons" meeting to solicit comment from the public on any topic within the jurisdiction of the Commission, in advance of either a prenotice hearing, if any, or an adoption hearing on a proposed regulation. Announcement of this meeting shall be posted on the Commission website and mailed (either in tangible form or electronically) to every person who has filed a request to be included on the applicable mailing list and to such other persons or groups the Commission believes may be interested in the matter.

(2) The Commission or Commission staff may schedule a prenotice hearing on any regulation that will be the subject of Commission regulatory action in the future. The purpose of the prenotice hearing is to permit the Commission to consider and accept public comment regarding regulatory action proposed by the Commission staff. Any regulatory action to be considered at a prenotice hearing shall be publicized consistent with Government Code sections 11120-11132.

(3) At least 30 days prior to the adoption, amendment, or repeal of any regulation, notice shall be provided as follows:

(A) Publication in a newspaper of general circulation or in a trade or industry publication as prescribed by the Commission.

(B) Filing with the Rules Committee of each house of the Legislature.

(C) Mailing (either in tangible form or electronically) to every person who has filed a request for notice thereof with the Commission. At the discretion of the Commission, notice may be mailed to other persons or groups the Commission believes may be interested in the proposed action.

(D) Delivered to the Office of Administrative Hearings for publication in the next issue of the California Administrative Register as prepared by that office.

The failure to mail notice to any person as provided in section 11423 as that section existed on June 4, 1974, shall not invalidate any action taken by the Commission.

(4) The Commission shall consider the regulatory action on or after the date and time designated in the notice, and shall afford interested persons an opportunity to comment. Written comments should be submitted to the Commission no later than 12:00 p.m. of the business day preceding the day of the hearing to afford them adequate time to fully consider the comments. Any regulatory action to be considered shall be publicized consistent with Government Code sections 11120-11132.

(5) Where consideration of Commission regulatory action is continued to another meeting date, announcement of the change in date shall be posted on the door of the hearing room or announced at the Commission meeting. No additional notice pursuant to subdivision (b)(2) of this regulation is required.

(6) The Commission or Commission staff may schedule additional Interested Persons Meetings, Prenotice Hearings, or Adoption Hearings on any given item.

(7) Once the Commission has approved the adoption, repeal, or amendment of any Commission regulation, the Commission shall submit to the Office of Administrative Hearings, for filing with the Secretary of State, one certified copy of any regulation adopted, repealed, or amended with a citation to the statutory authority pursuant to which the regulation was adopted, and four additional copies of the regulation. The Commission shall also submit one certified copy of the regulation to the Rules Committee of each house of the Legislature.

(8) The Commission shall retain a rulemaking file pertaining to each Commission regulatory action. The file shall contain the record of the hearing at which the Commission took the regulatory action and other materials pertinent to the regulatory action.

(c) Adoption of Emergency Regulations. The Commission may adopt, amend, or repeal regulations on an emergency basis. The procedures set forth below, and not the procedures contained in subdivision (b) of this regulation, shall apply to Commission emergency regulatory action.

(1) In order to adopt an emergency regulation, or to make an emergency amendment or repeal of a regulation, the Commission shall make a written finding of emergency, which shall include a statement of facts constituting the emergency and a statement that the Commission's regulatory action is necessary for the immediate preservation of the public peace, health and safety, or general welfare.

(2) The Commission shall file a copy of the emergency regulation and the documents set forth in subdivision (c)(1) of this regulation with the Office of Administrative Hearings, to be filed with the Secretary of State, and shall file a copy with the Rules Committee of each house of the Legislature.

(3) Unless otherwise provided by the Commission in a written instrument filed with, or as

part of, the regulation or order of repeal, any emergency regulatory action shall become effective upon filing and shall remain in effect for 120 days.

(4) The Commission may make the emergency regulation, amendment, or repeal permanent pursuant to subdivision (b) of this regulation. Where the Commission makes an emergency regulatory action permanent pursuant to subdivision (b) of this regulation prior to the expiration of the 120 days set forth above, the Commission shall transmit to the Office of Administrative Hearings and the Rules Committee of each house of the Legislature a certification that the action has been made permanent.

(d) Review by the Office of Administrative Hearings.

(1) The Office of Administrative Hearings shall review any Commission regulation subject to Commission regulatory action for compliance with the form and style requirements of the Secretary of State.

(2) If the Commission's regulatory action complies with the prescribed form and style requirements of the Secretary of State, the Office of Administrative Hearings shall file the regulation, amendment, or repeal promptly with the Secretary of State.

(B) Any emergency regulatory action shall become effective upon filing with the Secretary of State and the Rules Committee of each house of the Legislature pursuant to

subsection (c)(2) of this regulation, unless subsection (e)(1)(A) of this regulation applies.

(C) Regulations prescribing the Commission's organization or procedures shall become effective upon filing with the Secretary of State, unless subsection (e)(1)(A) or (e)(1)(B) of this regulation applies.

Comment: On March 6, 1991, in the case of *Fair Political Practices Commission v. Office of Administrative Law and Linda Stockdale Brewer*, Sacramento County Superior Court, Case No 512795 (affirmed by Court of Appeal, Third District (April 27, 1992), Case No. C010924 [unpub. opn.]), the court determined that the Fair Political Practices Commission's procedures for adopting, amending, or repealing regulations are subject only to those provisions of the Administrative Procedure Act in effect on June 4, 1974, which was the date on which the voters adopted the Political Reform Act of 1974. This regulation is therefore based on the requirements of the provisions of the Administrative Procedure Act existing on that date. On June 4, 1974, the pertinent provisions of the Administrative Procedure Act were located in former Government Code, Title 2, Division 3, Part 1, Chapter 4.5, section 11371 et seq.
