

(Regulations of the Fair Political Practices Commission, Title 2, Division 6, California Code of Regulations.)

**§ 18755. Statements of Economic Interests: Person or Persons at an Institution of Higher Education with Principal Responsibility for a Research Project.**

(a) Disclosure shall be required under Government Code section 87302 or any conflict of interest code in connection with a decision made by a person or persons at an institution of higher education with principal responsibility for a research project to undertake such research, if it is to be funded or supported, in whole or in part by:

(1) A contract or grant from a nongovernmental entity sponsor, or

(2) Other funds from a nongovernmental entity earmarked by the donor for a specific research project or for a specific researcher.

(b) *Types of Statements of Economic Interests.*

(1) *Initial Statement:* The initial statement must be submitted to the university filing officer for the statements of economic interests before final acceptance of a contract, grant, or gift. The statement shall include reportable investments in and positions with the sponsor as of the date of the offer of funding, and income and gifts received from the sponsor within the 12 months prior to the date of the offer.

(2) *Interim Statements:* A statement must be filed within 30 days after funding is renewed and shall disclose reportable investments, income and business positions held or received during the period between the date the initial statement was filed and the date the funding for the project was renewed.

(c) *Content:* The disclosure statement shall contain the name and address of the sponsor, a general description of the sponsor's business activity, if any, and the amount of funding.

(1) *Business Positions with Sponsor.* When the principal investigator is a director, officer, partner, trustee, employee, or holds any position of management with the sponsor, the disclosure statement shall contain the title of any position held in the entity by the principal investigator.

(2) *Investments and Equity Interest in the Sponsor.* When the principal investigator holds an investment or equity (ownership) interest in the sponsor, the disclosure statement shall contain a statement of the fair market value of the investment or interest and whether the value of the investment or interest is \$2,000 but does not exceed \$10,000, exceeds \$10,000 but does not exceed \$100,000, exceeds \$100,000 but does not exceed \$1,000,000; or greater than \$1,000,000.

(3) *Income from the Sponsor.* When the principal investigator has received reportable income from the sponsor, the disclosure statement shall contain:

(A) A statement whether the aggregate value of income from the sponsor, or in the case of a loan, the highest amount owed to the sponsor, was \$500 but does not exceed 1,000, exceeds \$1,000 but does not exceed \$10,000, exceeds \$10,000 but does not exceed \$100,000, or greater than \$100,000.

(B) In the case of a loan, the annual interest rate and whether the loan was secured or unsecured.

(4) *Gifts from the Sponsor.* In the case of a gift of \$50 or more from the sponsor, the disclosure statement shall contain:

(A) A description of the gift;

(B) The amount or value of the gift; and

(C) The date the gift was received.

(5) *Payments for Travel from the Sponsor.* In the case where a payment for travel was received from the sponsor, the disclosure statement shall contain:

(A) A description of the nature of the payment and whether it is a gift or income;

(B) The amount of the payment; and

(C) The dates the travel occurred.

(d)(1) Disclosure shall not be required under Government Code section 87302 (or under a conflict of interest code) in connection with a decision made by a principal investigator to undertake such research, if the nongovernmental entity funding or supporting the research is one of the following:
