

1 Amend 2 Cal. Code Regs. Section 18422.5 to read:

2 **§ 18422.5. Top Contributor Disclosure by Committees Primarily Formed for State Ballot**
3 **Measures or Candidates.**

4 (a) Submitting Contributor List to Commission.

5 (1) Under Section 84223(a), a committee primarily formed to support or oppose a state
6 ballot measure or to make independent expenditures on a state candidate that raises \$1,000,000
7 or more for an election must maintain and submit a list of its top 10 contributors to the
8 Commission. A committee must submit its list to the Commission by electronic mail, including
9 its committee identification number in the subject line of the message.

10 (2) The list of a committee's top 10 contributors must disclose the information required
11 by Section 84223(b) on a form prescribed by the Commission, or in a substantially similar
12 format or spreadsheet approved by the Executive Director. The committee must identify the state
13 candidate(s) or ballot measure(s) it is primarily formed to support or oppose. And the top 10 list
14 must identify whether a contributor is a recipient committee or major donor, and the recipient
15 committee or major donor's committee identification number, if applicable.

16 (3) A committee must submit an updated list of its top 10 contributors to the Commission
17 if a new contributor qualifies, an existing top contributor makes additional contributions of
18 \$5,000 or more in the aggregate, or a change occurs in the relative ranking of the contributors, as
19 specified in Section 84223(c)(2), and when a reporting committee changes its name to add or
20 delete a ballot measure or candidate.

21 (4) During the 16-day period before the election, a committee must submit the list within
22 two business days of meeting the requirements in Section 84223(a) or a change in top contributor
23 information or reporting committee name as specified in paragraph (3), above. Outside this time

1 period, a committee must submit the list within three business days of meeting the requirements
2 in Section 84223(a) or a change in the top contributor information or committee name as
3 specified in paragraph (3), above.

4 (5) If a committee lists a state recipient committee on its top 10 contributors list, it must
5 provide the names of the top two contributors of \$50,000 or more to the state recipient
6 committee unless the state recipient committee has independently submitted a report under
7 Section 84223 for the same election. A committee is only required to update the top two
8 contributors to a state recipient committee under this subdivision if the state recipient committee
9 makes an additional contribution to the committee of \$5,000 or more.

10 (A) For purposes of this subdivision, the top two contributors to the state recipient
11 committee may be determined by reference to campaign reports available online from the
12 Secretary of State's Cal-Access System.

13 (B) A committee, which has filed within the applicable deadlines, is considered to have
14 complied with this subdivision if the committee makes reasonable efforts to disclose the top two
15 contributors to the state recipient committee based upon the following criteria:

16 (i) Top contributors are determined for the Cal-Access two-year election period.

17 (ii) Top contributors are determined at the time the report is filed by aggregating
18 contributions from the same source as reported by the state recipient committee on Cal-Access as
19 “Contributions Received” (contributions reported on Form 460) and “Late and \$5000+
20 Contributions Received” (contributions reported on Form 497).

21 (b) Commission Posting Lists.

1 (1) With respect to the top contributor lists provided by a committee to the Commission
2 under Section 84223(a)-(d), the Commission will post or update the top ten contributor list
3 within ~~the time frames specified in~~ 48 hours pursuant to Section 84223(c)(4).

4 (2) With respect to the list of top contributors supporting or opposing a state ballot
5 measure under Section 84223(e), the Commission will make the list of top contributors
6 supporting or opposing a state ballot measure using the top contributor lists provided by
7 committees pursuant to Section 84223(a)-(d). The Commission will state on its website the
8 methodology used in compiling the state ballot measure top contributor lists, and post and update
9 the lists as timely as practicable.
