Fair Political Practices Commission staff will hold an Interested Persons meeting on May 9, 2018 at 10:30 a.m. to solicit public input regarding the enforcement-related items listed below.

**Enforcement Division Priorities and Procedures**

At the Commission's March meeting, Commissioners voted unanimously to hold an Interested Persons Meeting to discuss the Enforcement Division's priorities and procedures. Specifically, the Commission seeks comment related to any concerns held by the regulated community or the public generally regarding the Enforcement Division's priorities and procedures.

**Streamline Settlement Program**

The Enforcement Division analyzes and processes over 1,500 complaints per year. In order to focus its resources on cases concerning serious violations of the Act, the Enforcement Division created a Streamline Settlement Program for prosecution of those violations with a lesser degree of public harm.

Per Commissioner Hatch's request, the Commission addressed the Program at its March meeting. As a follow up to that discussion, the Commission is seeking public comment regarding the program.
