## Fair Political Practices Commission Additional Reports

Depending on committee activity, one or more of the following reports may also be required:

- **Independent Expenditure Reports.** Committees making independent expenditures totaling \$1,000 or more in the aggregate to support or oppose other ballot measures or candidates must file:
  - [Form 462](#): E-mail to FPPC within 10 days of reaching \$1,000 threshold.
  - [Form 496](#): This form must be filed within 24 hours if made in the 90-day, 24-hour reporting period of the measure's or candidate's election. Refer to the applicable filing schedule. Form 496 is filed with the filing officer in the jurisdiction of the affected measure or candidate.
- **Payments Related to a *Different State Ballot Measure (E-Filers only)*:** File Form 496 (24-Hour/10 Day Independent Expenditure Report) or Form 497 (24-Hour/10 Day Contribution Report) within 10 business days of making payments totaling \$5,000 or more in connection with a *different* state ballot measure. No paper copy is required.
- [Form E-530](#): File within 48 hours of making a payment, or a promise of a payment, of \$50,000 or more during the 45 days prior to an election for a communication that identifies a state candidate being voted upon in the election but does not expressly advocate the election or defeat of the candidate. No paper copy is required.

### Additional Notes:

- **\* Period Covered:** The period covered by any statement begins on the day after the closing date of the last statement filed, or January 1 if no previous statement has been filed.
- **\*\*Deadlines:** Due to the election being held early in the year, the deadline for the first pre-election statement for calendar year 2020 is earlier than the deadline for the semi-annual statement for calendar year 2019. A candidate/committee active in both calendar years may file the 2019 statement on January 23, 2020.
- **Deadline Extensions:** Deadlines are extended when they fall on a Saturday, Sunday, or an official state holiday. This extension does not apply to any 24-Hour/10 Day Independent Expenditure Reports (Form 496) or to any 24-Hour/10 Day Contribution Reports (Form 497) that are due the weekend before the election. Such reports must be filed within 24 hours regardless of the day of the week and are subject to a \$10 per day late fine.
- **E-filer:** A state committee that has received contributions or made expenditures totaling \$25,000 or more.
- **Form 460:** All state committees, including e-filers, must also file paper statements. Paper filings may be filed by first class mail unless otherwise noted.
- **Forms 496 and 497:** All reports filed online only.
- **Multipurpose Organizations (including non-profits):** A multipurpose organization that uses its general dues account to make contributions or expenditures may qualify as a major donor or independent expenditure committee and may be required to report payments on Form 461. Such an organization will qualify as a recipient committee if expenditures exceed \$50,000 in a 12-month period or \$100,000 in four consecutive calendar years. An organization that qualifies as a recipient committee may need to file statements disclosing contributors. For more information, see FPPC's fact sheet [Multipurpose Organizations Reporting Political Spending](#).
- **State Contribution Limits:** Refer to the [contribution limits chart](#) on the FPPC website.
- **Penalties:** Failure to file a statement on time subjects a committee to a fine of \$10 per day on both the paper and the e-filed version (i.e., \$20 per day for a late e-filed Form 460). Failure to file a statement could result in an enforcement penalty of \$5,000 per violation.
- **Public Documents:** All statements are public documents.
- **Resources:** Campaign manuals and other instructional materials are available [here](#). Or, visit [www.fppc.ca.gov](http://www.fppc.ca.gov) > Learn > Campaign Rules.
