### Additional Notes:

- **\*Period Covered:** The period covered by any statement begins on the day after the closing date of the last statement filed, or January 1, if no previous statement has been filed.
- **Deadline Extensions:** Deadlines are extended when they fall on a Saturday, Sunday, or an official state holiday. This extension does not apply to a 24-Hour/10-Day Contribution Report (Form 497) that is due the weekend before the election, and this extension never applies to any 24-Hour/10-Day Independent Expenditure Report (Form 496). Such reports must be filed within 24 hours regardless of the day of the week.
- **California Access Replacement System (CARS):** The new Cal-Access system is expected to go live in 2021.
- **E-filer:** Until the California Access Replacement System (CARS) is live, only state committees that have received contributions or made expenditures totaling \$25,000 or more e-file. Once the CARS system is live, all state committees will file online or electronically with the Secretary of State.
- **Forms 450 and 460:** All state committees, including e-filers, must file paper reports. Once the California Access Replacement System (CARS) system is live, all state committees will file online or electronically with the Secretary of State, no paper copies will be required.
- **Forms 496 and 497:** All reports filed online only.
- **Multipurpose Organizations (including non-profits):** A multipurpose organization that uses its general dues account to make contributions or expenditures may qualify as a major donor or independent expenditure committee and may be required to report payments on Form 461. Such an organization will qualify as a recipient committee if expenditures exceed \$50,000 in a 12-month period or \$100,000 in four consecutive calendar years. An organization that qualifies as a recipient committee may need to file statements disclosing contributors. For more information, see FPPC's fact sheet [Multipurpose Organizations Reporting Political Spending](#).
- **State Contribution Limits:** Refer to the [contribution limits chart](#) on the FPPC website.
- **Expenditures for Local Elections:** Committees making contributions or independent expenditures in connection with a local election should consult the filing schedule for that election as Forms 497 and 496 may be required. Check with the jurisdiction to determine if there are contribution limits or other restrictions.
- **Penalties:** Late statements and reports are subject to a fine of \$10 per day on both the paper and the e-filed version (i.e., \$20 per day for a late e-filed Form 460). Once the CARS system is live, all state committees will file online or electronically with the Secretary of State and late e-filed statements or reports will be subject to a fine of \$10 per day. Failure to file a statement or report could result in an enforcement penalty of \$5,000 per violation.
- **Public Documents:** All statements and reports are public documents.
- **Resources:** Campaign manuals and other instructional materials are available on the [Campaign Rules](#) page. Or visit [www.fppc.ca.gov](http://www.fppc.ca.gov) > Learn > Campaign Rules.
