## Additional Reports

Depending on committee activity, one or more of the following reports may also be required:

- **Payments Related to a State Ballot Measure:** File Form 496 (24-Hour/10-Day Independent Expenditure Report) or Form 497 (24-Hour/10-Day Contribution Report) within 10 business days of making payments totaling \$5,000 or more in connection with a single state ballot measure. No paper copy is required. Payments of this type may change the nature of a primarily formed candidate committee. Until the California Access Replacement System (CARS) is live, **only e-filers file this report**. Once the CARS system is live, all filers file this report online or electronically with the Secretary of State.
- **Form 511:** File within 10 days of making either of the following expenditures related to an advertisement to support or oppose a ballot measure: 1) a payment totaling \$5,000 or more to an individual to appear in an advertisement, or 2) a payment of any amount to an individual portraying a member of a licensed occupation (e.g., nurse, doctor, firefighter). Until the California Access Replacement System (CARS) is live, **e-filers must also file a paper copy**. Once the CARS system is live, all state committees will file this report online or electronically with the Secretary of State, no paper copy will be required.
- **Form E-530:** File within 48 hours of making a payment or a promise of a payment, of \$50,000 or more during the 45 days prior to an election for a communication that identifies a state candidate being voted upon in the election but does not expressly advocate the election or defeat of the candidate. No paper copy is required.

### Additional Notes:

- **\*Period Covered:** The period covered by any statement begins on the day after the closing date of the last statement filed, or January 1 if no previous statement has been filed.
- **Deadline Extensions:** Deadlines are extended when they fall on a Saturday, Sunday, or an official state holiday. This extension does not apply to a 24-Hour/10-Day Contribution Report (Form 497) that is due the weekend before the election. This extension never applies to a 24-Hour/10-Day Independent Expenditure Report (Form 496); such reports must be filed within 24 hours regardless of the day of the week.
- **California Access Replacement System (CARS):** The new California Access Replacement System (CARS) is currently in development with an undetermined go live date. Once the California Access Replacement System (CARS) system is live, all state committees will file online or electronically with the Secretary of State.
- **E-filer:** Until the California Access Replacement System (CARS) is live, only state committees that have received contributions or made expenditures totaling \$25,000 or more e-file.
- **Form 460:** All state committees, including e-filers, must file paper reports.
- **Paper Filings:** Until the California Access Replacement System (CARS) is live, all paper filings may be filed by first class mail unless otherwise noted. Once the CARS system is live, all state committees will file online or electronically with the Secretary of State, no paper copies will be required.
- **Forms 496 and 497:** All reports filed online only.
- **Multipurpose Organizations (including non-profits):** A multipurpose organization that uses its general dues account to make contributions or expenditures may qualify as a major donor or independent expenditure committee and may be required to report payments on Form 461. Such an organization will qualify as a recipient committee if expenditures exceed \$50,000 in a 12-month period or \$100,000 in four consecutive calendar years. An

organization that qualifies as a recipient committee may need to file statements disclosing contributors. For more information, see the FPPC's fact sheet, [Campaign Reporting Rules for Multipurpose Organizations](#).

- **State Contribution Limits:** Contributions to state candidates and to committees that make contributions to state candidates are subject to limits. Refer to the [contribution limits chart](#) on the FPPC website. Committees making "issue ads" featuring state candidates are also subject to contribution limits.
- **Penalties:** Late statements and reports are subject to a fine of \$10 per day on both the paper and the e-filed version (i.e., \$20 per day for a late e-filed Form 460). Failure to file a statement or report could result in an enforcement penalty of \$5,000 per violation.
- **Public Documents:** All statements and reports are public documents.
