Public Access

Filing officers must ensure filed campaign statements are available to the public during regular business hours.

Filing officers may not

- Set conditions on public access
- Require information or identification from requesters
- Charge more than 10 cents per page for copies
- Redact any portion of the filed campaign statement prior to issuance

Note: You may charge a \$5 fee per request for statements more than five years old.

35

Form Retention

Statements must be retained

- **Indefinitely** for mayors, city council members, and county supervisors
- **Ten years** for all statements filed electronically
- **Seven years** for other candidates and committees (i.e., school board, water district) that file original statements with you
- **Five years** for original campaign statements for defeated, non-incumbent candidates
- **Four years** for all "copies" of campaign statements you receive

Note: Statements may be transferred to a space-saving device after 2 years.

36

Managing Non-Filers

Filing officers are required to notify non-filers of their reporting obligations.

Notify non-filers by

- Telephone
- Email
- Written notice

Refer non-filers to the FPPC if the statement is not filed after sending your second written notice.

37

Assessing Late Fines

- No extensions of filing deadlines
- Develop a written policy for fining and implement consistently
- Fine starts the day after deadline, not the day after the candidate or committee is notified
- \$10 per day for each day late (you may NOT assess more)
- Amount of fine assessed may not exceed the amount of the committee's receipts or expenditures during the reporting period, or \$100, whichever is greater
- Form 470 filers may not be fined more than \$100
- Deposit fines into agency's general fund

38

Post Election

Candidates

Successful

Form 460 Filer

- Continues filing 460 semi-annually until committee is terminated

39

Post Election

Primarily Formed & General Purpose Committees

- Continue filing at least semi-annually until the committee is terminated
- Committees should check the applicable filing schedule to determine if their activity triggers additional filing requirements

For these committees, leftover funds do not become surplus after the election.

40

Post Election

Committee Termination

The following criteria must be met in order to terminate a committee:

- No remaining funds
- Not receiving or planning to receive contributions
- Not making or planning to make expenditures
- Termination Forms 410 and 460 must be filed

There is no timeframe for terminating a local committee, but committees must continue to file campaign reports and pay the \$50 annual fee until the committee terminates.

41

Campaign Statements

Electronic Filing

Local agencies may adopt an ordinance approving the use of an E-filing system if specific criteria are met, including:

- Complies with Secretary of State file format standards
- Meets specific data integrity & safeguard standards
- Allows free public access to E-filed statements
- Online statements do not include contributor addresses or bank account information

Filing officers are still required to provide un-redacted hard copies upon request.
