ARTICLE VII. - CAMPAIGN REFORM

Sec. 2-907. - Purpose.

The purposes of this article are:

(1) To eliminate the possibility of corruption or the appearance of corruption in local elections, arising as a result of disproportionately large political contributions, by adopting the least restrictive limits possible on the amounts of money any person may contribute or otherwise cause to be available to candidates for the city council and city treasurer and those who support or oppose such candidates;

(2) To eliminate the need for candidates and their supporters and opponents to seek large campaign contributions by establishing a realistic voluntary expenditure ceiling for campaigns;

(3) To promote informed actions by the electors of the city by requiring the full and truthful disclosure of contributions and expenditures in election campaigns;

(4) To inhibit improper or illegal campaign activity, and to ensure vigorous enforcement of this chapter; and

(5) Pursuant to California Government Code Section 81013 and Elections Code Section 10202, to impose contribution limitations and other regulations in addition to those imposed by state law, but that do not prevent any person from complying with state law.

(Ord. No. 1560, § 1, 1-3-2005)
