Article I. Findings and Purposes

2.130.010 Title.
In 1974, the voters of California approved a far-reaching initiative measure commonly known as Proposition 9. The provisions of Proposition 9 were codified into the California Government Code as Title 9 (entitled “Political Reform” – § 81000 et seq.). This enactment is commonly referred to as the “Political Reform Act of 1974,” hereinafter the “Political Reform Act.” Among other things, the Political Reform Act subjected all public officials to rigorous conflicts of interest provisions and imposed explicit regulation and accountability for political campaign contributions and expenditures on elected officials.

This chapter shall be known as the “City of Santa Clara Political Campaign Finance Reform Act” (“Act”). It is intended to supplement the provisions of the Political Reform Act, as it is amended from time to time. In some instances, the Act is intended to be a convenient, single source reminder of the applicable State law. In other instances, the provisions of the Act are expressly intended to be more restrictive than the Political Reform Act. (Ord. 1745 § 2, 1-11-00; Ord. 1924 § 1, 4-22-14).

2.130.020 Findings and declarations.
In enacting this chapter, the following findings and declarations are adopted:

(a) Monetary contributions to political campaigns are a legitimate form of participation in the American political process, but large contributions may have an undue influence on candidates or create the appearance of an undue influence in the political process.

(b) The rapidly increasing costs of political campaigns have forced many candidates to raise larger and larger percentages of money from individuals and interest groups with a specific financial stake in matters before the City Council. This has caused a public perception that votes are being improperly influenced by monetary contributions to candidates. This perception is undermining the credibility and integrity of the governmental process.

(c) High campaign costs are forcing officeholders to spend more time on fundraising and less time on the public’s business. The periodic pressure to raise contributions distracts officeholders from urgent governmental
(d) The integrity of the governmental process, the competitiveness of campaigns and public confidence in local officials are all diminishing.

(e) Campaign contributions and campaign expenditures in municipal election campaigns should be fully and truthfully disclosed in order that the voters may be fully informed about a candidate’s sources of campaign contributions.

(f) Specific Findings Regarding Two Tiered Contribution Limits. The contribution limits set forth in SCCC 2.130.050 herein are based on the following specific findings:

1. Individual contributions in excess of five hundred dollars ($500.00) may result in the reasonable perception by the public of the appearance of undue influence on successful candidates by larger contributors. Limiting contributions below this level for candidates accepting the voluntary expenditure limits of this chapter will bolster the public’s trust in the local electoral process.

2. Limiting contributions to two hundred fifty dollars ($250.00) for candidates who do not accept voluntary campaign limits represents a reasonable incentive for candidates to accept voluntary expenditure limits without reducing any candidate’s ability to effectively campaign or to reasonably raise adequate campaign funds.

3. The difference between the alternative contribution limits is not calculated to deny any candidate the option of not accepting expenditure limits. Rather, it is intended to reflect a meaningful distinction to be appreciated by both candidates and the public encouraging fair elections free from the perceived negative effects of excessive campaign spending. (Ord. 1745 § 2, 1-11-00; Ord. 1924 § 1, 4-22-14).

2.130.030 Purpose of this chapter.
This chapter is to be liberally construed to effectuate the following purposes:

(a) Ensure that individuals and interest groups in the city have a fair opportunity to participate in the municipal elective and governmental processes.

(b) Reduce the influence of large contributors with a specific financial stake in matters before the City Council, thus countering the perception that decisions are influenced more by the size of contributions than the best interests of the people of the City.

(c) Encourage candidates to limit their overall expenditures in campaigns, thereby reducing the pressure on candidates to raise large campaign war chests for defensive purposes, beyond the amount necessary to communicate reasonably with voters.
(d) Increase the value of smaller contributions to candidates.

(e) Reduce the fund raising advantage of incumbents and thus encourage competition for elective office.

(f) Allow candidates and officeholders to spend a lesser portion of their time on fund raising and a greater portion of their time dealing with issues of importance to their constituents.

(g) Improve the disclosure of contribution sources in reasonable and effective ways.

(h) Help restore public trust in governmental and electoral institutions. (Ord. 1745 § 2, 1-11-00; Ord. 1924 § 1, 4-22-14).

**Article II. Definitions**

**2.130.040 Interpretation of this chapter.**

Unless a term is specifically defined in this chapter, or the contrary is stated (or clearly appears from the context), the definitions set forth in Chapter 2 (“Definitions” – § 82000 et seq. of the Government Code) of the State Political Reform Act shall govern the interpretation of the provisions of this chapter.

(a) “Election cycle” means that period commencing on May 1st of a general election year and concluding on December 31st of that same year. If a special election is conducted, the election cycle shall commence on the first day of the month at least six months before the election and shall conclude on the last day of the month following the election (i.e., assume a March date is used for a City special election for an elective office; September 1st (the first day of the month at least six months before the election date) would be the first day of the election cycle and April 30th (the last day of the month following the election) would be the last day of the election cycle).

(b) “Campaign literature” means any communication which meets the following criteria: (1) it is distributed during the campaign cycle, (2) it identifies the candidate (even if the fact of candidacy is not mentioned in the communication, it is deemed that there is a valuable benefit to the candidate gained by the name recognition generated through the distribution of a communication during a campaign cycle), and (3) the candidate (and/or the candidate’s campaign committee) has paid for at least fifteen percent (15%) of the cost of preparation and/or distribution inclusion of the communication. The candidate’s cost for the campaign literature shall be identified and accounted for as a campaign expense.

(c) The term “office” means the offices of Mayor, City Council, Chief of Police and City Clerk. (Ord. 1745 § 2, 1-11-00; Ord. 1788 §§ 2, 3, 2004; Ord. 1835 § 1, 4-15-08; Ord. 1924 § 1, 4-22-14).

**Article III. Contribution Limits**

**2.130.050 Limits on contributions from persons.**
(a) No person shall make to any candidate for office or the controlled committee of such a candidate and no such candidate and the candidate’s controlled committee shall accept from any such person a contribution or contributions totaling more than two hundred fifty dollars ($250.00) during the election cycle for each election in which the candidate is on the ballot or is a write-in candidate. Acceptance of the voluntary expenditure limits contained in SCCC 2.130.160 shall raise the contribution limit to five hundred dollars ($500.00). Beginning in 2014, the contribution limits established in this section shall be adjusted on an annual basis by a percentage equal to the Consumer Price Index for All Urban Consumers for the San Francisco Bay Area (CPI). The adjustment to the contribution limits shall be by City Council resolution adopted at least six months prior to each election. The adjustment shall be rounded off to the nearest ten dollar ($10.00) figure [downward (if four dollars ninety-nine cents ($4.99) or less) or upward (if five dollars ($5.00) or more)].

(b) Nothing in this chapter shall prohibit a candidate from making unlimited contributions to his/her own campaign.

(c) No person shall make to any candidate for office or the controlled committee of such a candidate and no such candidate or candidate controlled committee may accept a contribution unless it is made or accepted during the election cycle.

(d) The last day a campaign contribution may be deposited shall be eleven (11) calendar days before the election date (i.e., a Tuesday, November 2nd election date would make Friday, October 22nd the last day to deposit a contribution) and the last day a payment for campaign expenses may be made shall be the last day of the month following the election month (i.e., a November election would require that all campaign expenses be paid by December 31st – the last day of the month following the election month).

(e) Nominal in-kind contributions not exceeding one hundred dollars ($100.00) per source shall be allowed between the closing of the fundraising window and election day; provided, that the contribution meets all other requirements of this chapter.

(f) Committees formed to support or oppose a ballot measure shall be excepted from the limitations contained in this section. (Ord. 1745 § 2, 1-11-00; Ord. 1835 § 2, 4-15-08; Ord. 1924 § 1, 4-22-14).

2.130.060 Prohibition on transfers of campaign contribution funds.
No candidate controlled committee shall make any contribution to any other candidate running for office, his or her controlled committee or any committee supporting or opposing a candidate for office. (Ord. 1745 § 2, 1-11-00; Ord. 1924 § 1, 4-22-14).

2.130.070 Return and refund of contributions.
(a) If a contribution has been negotiated, deposited, utilized, or was not returned to the donor within fourteen (14)
calendar days of receipt it is considered received. Received contributions that are refunded to donors prior to the
election are considered campaign expenditures and will count toward the voluntary expenditure limit. Received
contributions refunded to donors after the election are considered surplus funds and will not count toward the
voluntary expenditure limit.

(b) A contribution shall not be considered to be received if it is not negotiated, deposited or utilized, and if it is
returned to the donor within fourteen (14) calendar days of receipt. In the case of a late contribution, as defined
in the Political Reform Act, it shall not be deemed received if it is returned to the contributor within forty-eight
(48) hours of receipt. (Ord. 1745 § 2, 1-11-00; Ord. 1924 § 1, 4-22-14; Ord. 1954 § 1, 5-17-16).

2.130.080 Aggregation of payments.

expenditures are financed, maintained or controlled by any other person shall be considered to be made by a
single person, committee or small contributor political action committee.

in concert with, or solicit or make contributions on behalf of any other committee. This subsection shall not apply
to treasurers of committees if these treasurers do not participate in or control in any way a decision on whether
the candidate or candidates receive contributions. (Ord. 1745 § 2, 1-11-00; Ord. 1924 § 1, 4-22-14).

2.130.090 Loans from third party sources.
(a) A loan shall be considered a contribution from the maker and the guarantor of the loan and shall be subject to
the contribution limits (two hundred fifty dollars ($250.00, as adjusted from time to time) or five hundred dollars
($500.00, as adjusted from time to time) if the voluntary expenditure limit is accepted) of this chapter.
(b) Every loan to a candidate or the candidate’s controlled committee shall be by written agreement and shall be filed with the candidate’s or committee’s campaign statement on which the loan is first reported.

(a) Contributions by a husband and wife shall be treated as separate contributions and shall not be aggregated.

2.130.110 Money received by officials treated as contributions, income or gifts.

Any funds received by an elected official or candidate running in the city or any committee controlled by such an official or candidate shall be considered either a campaign contribution, income or a gift. All campaign contributions received by such persons shall be subject to the provisions of this chapter unless such campaign contributions are used exclusively for elections held outside the city. 2.130.120 One campaign committee and one checking account per candidate.

(b) No expenditure of one hundred dollars ($100.00) or more shall be made or received in cash.

The remaining provisions of Government Code § 84300 shall remain in effect. (Ord. 1745 § 2, 1-11-00; Ord. 1924 § 1, 4-22-14).
2.130.140 Limit on anonymous contributions.
No person shall make an anonymous contribution(s) to a candidate or controlled committee totaling one hundred dollars ($100.00) or more in any election cycle. An anonymous contribution of one hundred dollars ($100.00) or more shall not be kept by the intended recipient, but shall instead be promptly paid to the City Clerk for deposit in the general fund of the City to be earmarked for the purpose of offsetting any costs incurred by the City in enforcing this chapter. (Ord. 1745 § 2, 1-11-00; Ord. 1924 § 1, 4-22-14).

Article IV. Voluntary Expenditure Limits

2.130.160 Candidate acceptance or rejection of expenditure limits.
(a) Each candidate for City office shall file a “Declaration of Candidacy Statement” (“Declaration”) which shall be in a form to be determined by the City Clerk before that candidate accepts any campaign contributions. At the time of filing his/her declaration, the candidate shall indicate on the Declaration his/her acceptance or rejection of the voluntary expenditure limit of twenty-five thousand dollars ($25,000.00 – the base was established in February, 2000), which, beginning in 2014, shall be adjusted on an annual basis solely by a percentage equal to the San Francisco Bay Area All Urban Consumer Price Index (CPI). Article V. Surplus Campaign Funds

2.130.180 Use of surplus campaign funds.
(a) At the termination of the election cycle, all candidates (whether defeated or elected) shall be required to have a zero balance in their campaign fund account. Disbursement of all unused (“surplus”) campaign funds is mandatory by the termination of the election cycle.

(b) With respect to loans a candidate makes to his/her own campaign, before the end of the election cycle, either (1) the loan must be repaid in full to the candidate, or (2) the outstanding loan balance must be forgiven (“written off”) by the candidate.

(c) Surplus campaign funds may be expended (1) for a post-election event held no later than the end of the election cycle, and/or (with the explicit exclusion of payment for an elected officer’s expenses unrelated to the election campaign) (2) for the purposes delineated in Government Code Sections 89519(b)(1) through (3) (entitled “Surplus campaign funds; disclosure; use”).

In addition to any other penalties prescribed by law, if an official receives a contribution in violation of this chapter, the official shall not be permitted to make, participate in making or in any way attempt to use his/her official position to influence a governmental decision in which the contributor has a financial interest. The provisions of Government Code § 87100 et seq., and the pertinent regulations of the Fair Political Practices Commission (Title 2, Division 6, Chapter 7 (entitled “Conflicts of Interest” – Section 18700 et seq.,)) shall apply to interpretations of this section. (Ord. 1745 § 2, 1-11-00; Ord. 1924 § 1, 4-22-14. Formerly 2.130.220).

Article VII. Additional Disclosure Requirements

2.130.260 Additional pre-election campaign statement.
The Political Reform Act provides for various campaign statements to be filed on dates determined by the Fair Political Practices Commission. The second pre-election statement has a filing deadline approximately three weeks before the election. In addition to the requirements of the Political Reform Act, seven calendar days before the election, all candidates shall submit to the City a campaign disclosure statement. This statement shall cover the period from the last date of the second pre-election statement to the date eleven (11) days prior to the election. (Ord. 1745 § 2, 1-11-00; Ord. 1835 § 5, 4-15-08; Ord. 1924 § 1, 4-22-14. Formerly 2.130.240).

2.130.270 Disclosure of occupation and employer of contributor.
No contribution shall be deposited into a campaign checking account unless the name, address, occupation and employer of the contributor is on file in the records of the recipient of the contribution. (Ord. 1745 § 2, 1-11-00; Ord. 1924 § 1, 4-22-14. Formerly 2.130.250).

2.130.280 Submission of campaign disclosure statements.
All submissions of campaign disclosure statements shall be submitted neatly printed, typed or in an electronic media form. In all cases, the documents/media must be legible (or electronically useable) as determined by the City Clerk. It is the intent of the City to give the voting public access to the campaign disclosure statements through the City use of modern media resources. Documents that are not legible (or electronically useable) prevent widespread public access to this crucial information. (Ord. 1745 § 2, 1-11-00; Ord. 1768 § 3, 5-7-02; Ord. 1924 § 1, 4-22-14. Article IX. Miscellaneous Provisions

2.130.300 Applicability of other laws.
Nothing in this chapter shall exempt any person from applicable provisions of any other laws of this State or the City. (Ord. 1745 § 2, 1-11-00; Ord. 1924 § 1, 4-22-14. Formerly 2.130.280).
2.130.310 Severability.
If any part or provision of this chapter, or the application thereof to any person or circumstance, is held invalid, the remainder of the chapter, including the application of such part or provision to other persons or circumstances, shall not be affected thereby and shall continue in full force and effect.
