The person who employs the lobbying firm must date and sign the verification. In the case of a business entity or organization, the verification must be signed by a responsible officer of the entity or organization or by an attorney or a certified public accountant who acts as an agent for the entity or organization.

Lobbying Firms that Subcontract a Client:

Industry Group Classification

All filers must complete Section E. Check one box that most accurately describes the industry group you represent. Industry, trade, or professional associations should check the box that most accurately describes the industry group of its members (e.g., an association of hospitals would be classified as "Health," and an association of mortgage banking entities would be classified as
