Att: John Wallace

I would appreciate clarification of an issue that has been brought to my attention. I understand that a loan owed to an Assembly Campaign Committee and equipment loaned to an Assembly Campaign Committee is an asset that can be transferred to another Campaign Committee except in a special election.

Could you please advise me on this issue as soon as possible. Thank you for your time and consideration.

Sincerely,

BEV HANSEN

Dear Mr. Wallace:

Per our conversation and written correspondence, this is to notify you that we have terminated the Friends of Bev Hansen for State Assembly campaign account at the National Bank of the Redwoods.

Assemblywoman Bev Hansen has taken out intent papers with the Secretary of State for Bev Hansen for State Senate 1994 and has opened a new campaign account at the National Bank of the Redwoods.

As of this date, we have transferred all assets including funds, equipment and outstanding loans to the new account.

It is our understanding that this is what is required by FPPC ruling and this will be shown in the final filing of the 490 form.

All termination papers will be filed with the final filing of the FPPC report.

Sincerely,

Onita Pellegrini
