To clarify the intent of the regulation, we recommend updating the section name from “Combined Campaign Reports” to “Combined Campaign Reporting Periods,” as this more accurately reflects the typical scenario of combining a pre-election report with a semi-annual report, which is distinct from combining a semi-annual and a termination report. Additionally, we request that in both subsection (a) and subsection (g), Charter cities with additional filing requirements be given authority to combine reporting periods when appropriate, especially in cases of special elections, provided all other criteria in the proposed regulation are met.
