---

Attached for your approval are the updated instructions for Form 803 (Behested Payment Report).

In response to recent legislation, [SB 760](#), effective January 1, 2026, the Form 803 Behested Payment Report instructions have been updated to reflect the changes regarding the reporting exemption for public appeals for payments.

The draft form and instructions were made available on the Commission's website in March for public review and comment. No public comment was received during this period. All proposed changes to the draft form and instructions are made in yellow.

I recommend your approval of the following:
