Executive Summary

Attached for your approval are the 2026/2027 Statement of Economic Interests - Form 700, Form 700 Reference Pamphlet, Form 700-A, Form 700-U, Attachment Form 700-P, Form 700 Amendments, and Form 700 Frequently Asked Questions.

The Commission will consider the adoption of Form 700, Form 700-U, Form 700-A, Attachment Form 700-P, Form 700 Reference Pamphlet, Form 700 Amendments, and Form 700 Frequently Asked Questions at its December 3, 2026, Commission meeting.

Updates to Form 700 and related documents include the new 2027/2028 gift limit, and clarifying language on how and where to file Form 700 as a result of recent legislation. Form 700 and the related documents have been updated to reflect AB 1029, effective January 1, 2027, which requires public officials to disclose interests in digital financial assets, such as cryptocurrency, on their Form 700. Lastly, the Form 700 Frequently Asked Questions have been updated to include questions arising from the implementation of Attachment Form 700-P, which took effect January 1, 2026, and requires Section 87200 filers to disclose any arrangement for prospective employment. All updates are highlighted in yellow.

The attached documents were made available on the Commission's website in October for public review and comment. We received one public comment seeking advice on the new digital financial asset disclosure requirement on the Form 700. Our Email Advice & Conflict of Interest Code Unit in the Legal Division answered the commentor's question. No updates to the Form 700 or related documents were made in response to public comment.
