Dear Stevevonna Evans:

On March 19, 2026, the Fair Political Practices Commission considered a proposed Default Decision and Order in the above-referenced case. The Commission approved the enclosed Default Decision and Order, finding that you committed 27 violations of the Political Reform Act.¹ The Commission imposed an administrative penalty in the amount of \$76,500 against you in accordance with Government Code section 83116. A copy of the Default Decision and Order and relevant law is enclosed with this notice.

You have seven days from the date of this letter to file a written motion to vacate with the Commission. The motion must be submitted by mail or hand-deliver to the Commission² at: Fair Political Practices Commission, 1102 Q Street, Suite 3050, Sacramento, CA 95811. The motion must state the reason for your request and be based on good cause. “Good cause” includes failure to receive adequate notice of the Accusation, mistake, inadvertence, surprise, or excusable neglect.³ The Commission, in its discretion, may vacate the decision and grant a hearing on a showing of good cause.

You may also seek judicial review of this decision by filing a petition for a writ of mandate, in accordance with the California Code of Civil Procedure, within 30 days of the date when you were served with this notice/letter. If the decision is not vacated and judicial review is not sought, the Default Decision and Order will become final on the 31st day—which is when the administrative fine imposed against you becomes due and payable. If the penalty amount is not paid in full, the Commission will obtain a judgment from the Superior Court to collect the fine,

ORDER

The Commission issues this Default Decision and Order and imposes a total administrative penalty of \$76,500 upon the 2018 Committee, the 2020 Committee, and Evans, payable to the “General Fund of the State of California.”

EXHIBIT 1

INTRODUCTION

Respondent, Steevonna Evans (“Evans”) was a successful candidate for the Adelanto City Council in the November 6, 2018 General Election, an unsuccessful candidate for San Bernardino County Supervisor in the March 3, 2020 Primary Election, an unsuccessful candidate for Mayor of Adelanto in the November 8, 2022 General Election, and was a successful candidate for Adelanto City Council in the November 5, 2024 General Election.

Respondent, Committee to Elect Steevonna Evans 2018 Adelanto City Council (“the 2018 Committee”), was Evans’ candidate-controlled committee for the November 6, 2018 General Election.

Respondent, Steevonna Evans for Board of Supervisors 2020 (“the 2020 Committee”), was Evans’ candidate-controlled committee for the March 3, 2020 Primary Election.

Respondent, Robert Syas, was the 2018 Committee’s treasurer. However, based on a declaration provided by Robert Syas, the Enforcement Division is not charging Robert Syas as a respondent in this case.

Respondent, Tina McKinnor, is the 2020 Committee’s treasurer. However, based on a declaration provided by Tina McKinnor, the Enforcement Division is not charging Tina McKinnor as a respondent in this case.

The Political Reform Act (the “Act”)¹ requires candidates appearing on the ballot at the next election and their controlled committees to timely file campaign statements and reports as well as maintain the detailed records necessary to prepare campaign statements.

The 2018 Committee and Evans failed to timely file campaign statements. The 2020 Committee and Evans failed to timely file campaign statements and reports and failed to maintain adequate records. Evans, as a candidate in the 2022 and 2024 General Elections, failed to timely file campaign statements in connection with those candidacies.

This matter arose from Filing Officer Referrals the Enforcement Division received from the Adelanto City Clerk and San Bernardino County Registrar of Voters in 2020, 2021, 2022, 2023, 2024 and 2025.

¹ The Act is contained in Government Code Sections 81000 through 91014. All statutory references are to the Government Code, unless otherwise indicated. The regulations of the Fair Political Practices Commission (“Commission”) are contained in Sections 18104 through 18998 of Title 2 of the California Code of Regulations. All regulatory references are to Title 2, Division 6 of the California Code of Regulations, unless otherwise indicated.

DEFAULT PROCEEDINGS UNDER THE ADMINISTRATIVE PROCEDURE ACT

When the Commission determines that there is probable cause for believing that the Act has been violated, it may hold a hearing to determine if a violation has occurred.² Notice of the hearing, and the hearing itself, must be conducted in accordance with the Administrative Procedure Act (the “APA”).³ A hearing to determine whether the Act has been violated is initiated by the filing of an accusation, which shall be a concise written statement of the charges, specifying the statutes and rules which the respondent is alleged to have violated.⁴

Included among the rights afforded a respondent under the APA, is the right to file the Notice of Defense with the Commission within 15 days after service of the accusation, by which the respondent may (1) request a hearing; (2) object to the accusation on the ground it does not state acts or omissions upon which the agency may proceed; (3) object to the form of the accusation on the ground that it is so indefinite or uncertain that the respondent cannot identify the transaction or prepare a defense; (4) admit the accusation in whole or in part; (5) present new matter by way of a defense; or (6) object to the accusation on the ground that, under the circumstances, compliance with a Commission regulation would result in a material violation of another department’s regulation affecting substantive rights.⁵

The APA provides that a respondent’s failure to file a Notice of Defense within 15 days after service of an accusation constitutes a waiver of the respondent’s right to a hearing.⁶ Moreover, when a respondent fails to file a Notice of Defense, the Commission may take action based on the respondent’s express admissions or upon other evidence and affidavits may be used as evidence without any notice to the respondent.⁷

PROCEDURAL REQUIREMENTS AND HISTORY

A. Initiation of the Administrative Action

The service of the probable cause hearing notice, as required by Section 83115.5, upon the person alleged to have violated starts the administrative action.⁸

A finding of probable cause may not be made by the Commission unless the person alleged to have violated the Act is 1) notified of the violation by service of process or registered mail with return receipt requested; 2) provided with a summary of the evidence; and 3) informed of his or her right to be present in person and represented by counsel at any proceeding of the Commission held for the purpose of considering whether probable cause exists for believing the person violated

³ The California Administrative Procedure Act, which governs administrative adjudications, is contained in Sections 11370 through 11529 of the Government Code; Section 83116.

⁴ Section 11503.

⁵ Section 11506, subd. (a)(1)–(6).

⁶ Section 11506, subd. (c).

⁷ Section 11520, subd. (a).

the Act.⁹ Additionally, the required notice to the alleged violator shall be deemed made on the date of service, the date the registered mail receipt is signed, or if the registered mail receipt is not signed, the date returned by the post office.¹⁰

No administrative action pursuant to Chapter 3 of the Act alleging a violation of any of the provisions of the Act may commence more than five years after the date on which the violation occurred.¹¹

Documents supporting the procedural history are included in the attached Certification of Records (“Certification”) filed herewith at Exhibit A, A-1 through A-6, and A-23 and A-24, and incorporated herein by reference.

In accordance with Sections 83115.5 and 91000.5, the Enforcement Division initiated the administrative action against the 2018 Committee, 2020 Committee, Evans, Syas and McKinnor in this matter by serving them with a Report in Support of a Finding of Probable Cause (the “Report”) (Certification, Exhibit A-1) by certified mail.¹² Evans was served with the Report via personal service on December 11, 2024, individually and on behalf of the Committees. Syas and McKinnor were served with the PC report via certified mail on November 7, 2024 and November 5, 2024 respectively. (Certification, Exhibit A-2.) The administrative action commenced on November 5, 2024, and the five-year statute of limitations was effectively tolled on this date.

As required by Section 83115.5, the packet served on the 2018 Committee, 2020 Committee, Evans, Syas and McKinnor contained a cover letter and a memorandum describing probable cause proceedings, advising that they had 21 days in which to request a probable cause conference and/or to file a written response to the Report. The 2018 Committee, 2020 Committee, Evans, Syas and McKinnor did not request a probable cause conference or submit a written response to the Report.

B. Ex Parte Request for a Finding of Probable Cause

Because the 2018 Committee, 2020 Committee, Evans, Syas, and McKinnor failed to request a probable cause conference or submit a written response to the Report by the statutory deadline, the Enforcement Division submitted an Ex Parte Request for a Finding of Probable Cause and an Order that an Accusation Be Prepared and Served to the Hearing Officer of the Commission on March 20, 2025. (Certification, Exhibit A-3.)

On March 24, 2025, the Hearing Officer, Legal Division, Jack Woodside, issued a Finding of Probable Cause and an Order to Prepare and Serve an Accusation on the 2018 Committee, 2020 Committee, Evans, Syas and McKinnor. (Certification, Exhibit A-4.)

¹⁰ Section 83115.5.

¹¹ Section 91000.5.

C. The Issuance and Service of the Accusation

Under the Act, if the Hearing Officer makes a finding of probable cause, the Enforcement Division must prepare an accusation pursuant to Section 11503 of the APA, and have it served on the persons who are the subject of the probable cause finding.¹³

Section 11503 states:

A hearing to determine whether a right, authority, license, or privilege should be revoked, suspended, limited, or conditioned shall be initiated by filing an accusation or District Statement of Reduction in Force. The accusation or District Statement of Reduction in Force shall be a written statement of charges that shall set forth in ordinary and concise language the acts or omissions with which the respondent is charged, to the end that the respondent will be able to prepare their defense. It shall specify the statutes and rules that the respondent is alleged to have violated but shall not consist merely of charges phrased in the language of those statutes and rules. The accusation or District Statement of Reduction in Force shall be verified unless made by a public officer acting in their official capacity or by an employee of the agency before which the proceeding is to be held. The verification may be on information and belief.

Upon the filing of the accusation, the agency must 1) serve a copy thereof on the respondent as provided in Section 11505, subdivision (c); 2) include a post card or other form entitled Notice of Defense that, when signed by or on behalf of the respondent and returned to the agency, will acknowledge service of the accusation and constitute a notice of defense under Section 11506; 3) include (i) a statement that respondent may request a hearing by filing a notice of defense as provided in Section 11506 within 15 days after service upon the respondent of the accusation, and that failure to do so will constitute a waiver of the respondent's right to a hearing, and (ii) copies of Sections 11507.5, 11507.6, and 11507.7.¹⁴ The APA also sets forth the language required in the accompanying statement to the respondent.¹⁵

The Accusation and accompanying information may be sent to the respondent by any means selected by the agency, but no order adversely affecting the rights of the respondent may be made by the agency in any case unless the respondent has been served personally or by registered mail as set forth in the APA.¹⁶

On May 29, 2025, the Commission's Assistant Chief of Enforcement, Angela J. Brereton, issued an Accusation against the 2018 Committee, 2020 Committee, and Evans (Certification, Exhibit A-5.) In accordance with Section 11505, the Accusation and accompanying information, consisting of a Statement to Respondent, two copies of a Notice of Defense Form for each respondent, copies of Government Code Sections 11506, 11507.5, 11507.6, and 11507.7, were served upon the 2018 Committee, 2020 Committee and Evans by personal service on June 11, 2025.

¹³ Regulation 18361.4, subd. (g).

¹⁴ Section 11505, subd. (a).

¹⁵ Section 11505, subd. (b).

¹⁶ Section 11505, subd. (c).

(Certification, Exhibit A-6.) Based on the Declaration by Robert Syas, the Enforcement Division is not charging Syas as a respondent in this case. (Certification, Exhibit A-7.) Based on the Declaration by Tina McKinnor, the Enforcement Division is not charging McKinnor as a respondent in this case. (Certification, Exhibit A-8.)

Along with the Accusation, the Enforcement Division served the 2018 Committee, 2020 Committee, and Evans with a “Statement to Respondent,” which notified them that they could request a hearing on the merits and warned that, unless a Notice of Defense was filed within 15 days of service of the Accusation, they would be deemed to have waived the right to a hearing. The 2018 Committee, 2020 Committee, and Evans did not file a Notice of Defense within the statutory time period, which ended on June 26, 2025.

As a result, on November 5, 2025, the Enforcement Division sent a letter to the 2018 Committee, 2020 Committee and Evans advising that this matter would be submitted for a Default Decision and Order at the Commission’s public meeting scheduled for November 20, 2025. (Certification, Exhibit A-23.)

On February 5, 2026, the Enforcement Division sent another letter to the 2018 Committee, 2020 Committee and Evans advising that this matter would be submitted for a Default Decision and Order at the Commission’s public meeting scheduled for March 19, 2026. (Certification, Exhibit A-24.) A copy of the Default Decision and Order, and this accompanying Exhibit 1 with attachments, was included with the letter.

SUMMARY OF THE LAW

The Act and its regulations are amended from time to time. The violations in this case occurred in 2020 through 2024. For this reason, all legal references and discussions of law pertain to the Act’s provisions as they existed at that time.

An express purpose of the Act is to ensure voters are fully informed and improper practices are inhibited by requiring all committees to disclose all contributions and expenditures made throughout a campaign.¹⁷ Along these lines, the Act includes a comprehensive campaign reporting system.¹⁸

The Act defines “committee” as any person or combination of persons who receives contributions totaling \$2,000 or more in a calendar year,¹⁹ commonly known as a “recipient committee.” A recipient committee is a “controlled committee” when it is controlled directly or indirectly by a candidate.²⁰ A person or combination of persons that becomes a committee shall retain its status as a committee until such time as that status is terminated.²¹

¹⁷ Section 81002, subd. (a).

¹⁸ Section 84200, *et seq.*

¹⁹ Section 82013, subd. (a).

²⁰ Section 82016.

²¹ Section 82013.

A treasurer of a committee may terminate the committee's status as a committee, only by completing the termination section on the Form 410 declaring, under penalty of perjury, that the committee has ceased to receive contributions and make expenditures and does not anticipate receiving contributions or making expenditures in the future; has eliminated or has declared that it has no intention or ability to discharge all of its debts, loans received and other obligations; has no surplus funds; and has filed all required campaign statements disclosing all reportable transactions.²²

The filing obligations of a candidate or officeholder who has one or more controlled committees terminate when the individual has terminated all controlled committee(s) and has left office.²³

At the core of the Act's campaign reporting system is the requirement that candidates and committees must file campaign statements and reports for certain periods and by certain deadlines.²⁴ The Act requires candidates and their controlled committees to file campaign statements at specific times disclosing information regarding contributions received and expenditures made by the campaign committees.²⁵

County elected officers, candidates for these offices, their controlled committees, committees formed or existing primarily to support or oppose candidates or local measures to be voted upon in any number of jurisdictions within one county, other than those specified in subdivision (d), and county general purpose committees shall file the original and one copy with the elections official of the county.²⁶

If a candidate controls more than one committee, they are required to file campaign statements for each controlled committee on the dates the candidate or elected official is required to file statements in connection with the office sought.²⁷

The Act requires recipient committees to file semi-annual campaign statements each year no later than July 31 for the period ending June 30, and no later than January 31 for the period ending December 31.²⁸ If a committee has not previously filed a campaign statement, the period covered begins on January 1.²⁹ Whenever the deadline falls on a Saturday, Sunday or official state holiday, the filing deadline for a statement shall be extended to the next regular business day.³⁰

All candidates appearing on the ballot to be voted on at the next election and their controlled committees must file pre-election campaign statements.³¹ The first pre-election campaign statement, for the period ending 45 days before the election, must be filed no later than

40 days before the election. For the period ending 17 days before the election, the statement shall be filed no later than 12 days before the election.³² Whenever the deadline falls on a Saturday, Sunday or official state holiday, the filing deadline for a statement shall be extended to the next regular business day.³³

Candidates that do not plan to raise or spend more than two thousand dollars during a calendar year are permitted to file a Form 470, a short form campaign statement that takes the place of all required pre-election and semi-annual statements for the year.³⁴ The short form campaign statement covers all the same reporting periods for the entire calendar year, and is due at the same time as the first pre-election statement that would otherwise be filed.³⁵

Each candidate or committee that makes or receives a late contribution shall report the late contribution to each office with which the candidate or committee is required to file its next campaign statement.³⁶

A “late contribution” is a contribution, including a loan, that totals in the aggregate \$1,000 or more and is made to or received by a candidate or controlled committee during the 90-day period preceding the date of the election, or on the date of the election, at which the candidate or measure is to be voted on.³⁷ The 90-day period for the March 3, 2020 Primary Election began on December 4, 2019. The 90-day period for the November 5, 2024 General Election began on August 7, 2024.

It shall be the duty of each candidate, treasurer, principal officer, and elected officer to maintain detailed accounts, records, bills, and receipts necessary to prepare campaign statements, to establish that campaign statements were properly filed, and to otherwise comply with the provisions of this chapter. The detailed accounts, records, bills, and receipts shall be retained by the filer for a period specified by the Commission. However, the Commission shall not require retention of records for a period longer than the statute of limitations specified in Section 91000.5 or two years after the adoption of an audit report pursuant to Chapter 10 (commencing with Section 90000), whichever is less.³⁸

SUMMARY OF THE EVIDENCE

Documents supporting the summary of the evidence are included in the attached Certification filed herewith as Exhibit A, A-7 through A-22, and incorporated herein by reference.

Evans was a successful candidate for Adelanto City Council in the November 6, 2018 General Election, and served on the Adelanto City Council until the end of 2022. Evans was an unsuccessful candidate for San Bernardino County Supervisor in the March 3, 2020 Primary

Election. Evans was an unsuccessful candidate for Mayor of Adelanto in the November 8, 2022 General Election. Evans was a successful candidate for Adelanto City Council in the November 5, 2024, General Election and is currently serving as a member of Adelanto City Council.

2018 Committee and Evans

On August 23, 2021, the Enforcement Division received a referral from the Adelanto City Clerk (the “City”) regarding the 2018 Committee’s failure to timely file semi-annual campaign statements. The City contacted the 2018 Committee on May 28, 2020; December 28, 2020; January 5, 2021; and August 23, 2021 before referring the case to the Enforcement Division. (Certification, Exhibit A-9.)

The last statement filed by the 2018 Committee covered the reporting period of January 1, 2019 through June 30, 2019. According to the records maintained by the City³⁹ and the Secretary of State⁴⁰, the 2018 Committee is not terminated.⁴¹ Therefore, it continues to have a filing obligation.

Evans was on the ballot in March 2020, November 2022, and November 2024. Therefore, as a controlling candidate on the ballot, the 2018 Committee had a duty to timely file pre-election campaign statements. At all other times, the 2018 Committee had a duty to timely file semi-annual campaign statements.

To date, the 2018 Committee and Evans have failed to file the delinquent campaign statements. Below is a summary of the 2018 Committee’s filings:

Statement	Reporting Period	Due Date	Date Filed

CONCLUSION

This matter consists of 27 counts of violating the Act, which carry a maximum total administrative penalty of \$135,000.⁴⁴

In determining the appropriate penalty for a particular violation of the Act, the Enforcement Division considers the typical treatment of a violation in the overall statutory scheme of the Act, with an emphasis on serving the purposes and intent of the Act. Additionally, the Enforcement Division considers the facts and circumstances of the violation in the context of the following factors set forth in Regulation 18361.5 subdivision (e)(1) through (8): (1) The extent and gravity of the public harm caused by the specific violation; (2) The level of experience of the violator with the requirements of the Political Reform Act; (3) Penalties previously imposed by the Commission in comparable cases; (4) The presence or absence of any intention to conceal, deceive or mislead; (5) Whether the violation was deliberate, negligent or inadvertent; (6) Whether the violator demonstrated good faith by consulting the Commission staff or any other governmental agency in a manner not constituting complete defense under Government Code Section 83114(b); (7) Whether the violation was isolated or part of a pattern and whether the violator has a prior record of violations of the Political Reform Act or similar laws; and (8) Whether the violator, upon learning of a reporting violation, voluntarily filed amendments to provide full disclosure.⁴⁵

With respect to the extent and gravity of the public harm, Evans repeatedly failed to file campaign statements across multiple election cycles, depriving the public of timely and accurate information about contributions and expenditures. This undermined the Act's core purpose of transparency and denied voters critical disclosures during multiple elections in which she was a candidate.

⁴⁴ Section 83116, subd. (c).

⁴⁵ Regulation 18361.5, subd. (e).

Evans' experience with the Act further heightens the seriousness of these violations. Evans serves as an elected member of the Adelanto City Council and has been a candidate in four elections since 2018. This history reflects familiarity with the Act's filing requirements, and the continued noncompliance cannot be attributed to inexperience.

The evidence does not establish that Evans intended to conceal or mislead. However, Evans' repeated failure to respond to numerous notices from filing officers and the Enforcement Division demonstrates more than simple oversight and reflects a disregard for her disclosure obligations.

Evans' conduct can best be described as negligent and potentially deliberate, given the number of missed deadlines and repeated opportunities to correct noncompliance. Multiple reminders from filing officers between 2020 and 2025 failed to prompt any action, indicating ongoing neglect rather than isolated mistakes.

No evidence shows that Evans made any good-faith effort to consult Commission staff or other agencies to resolve the issues. Instead, the record reflects persistent noncompliance despite repeated outreach.

These violations were not isolated. They spanned multiple election cycles, involved more than one committee, and included deficiencies identified in an FPPC audit regarding recordkeeping. The evidence establishes a clear, ongoing pattern of misconduct.

Finally, Evans has not taken voluntary corrective action to bring her committees into compliance. Despite repeated notifications, neither committee has filed the required delinquent statements or terminated the committees. This lack of disclosure further underscores the severity of the violations.

Taken as a whole, these factors show that Evans' violations are serious, repeated, and unmitigated by any good-faith effort or corrective action. The evidence supports a significant penalty to address the public harm and uphold the integrity of the Act's disclosure requirements.

The Enforcement Division also considers previous cases approved by the Commission in determining penalties. In this matter, the following cases were used as guidelines.

Failure to Timely File Semi-Annual Campaign Statements:
Counts 1, 4, 5, 8, 14, 15, 18, 19

- *In the Matter of Sandy Genis for Costa Mesa City Council 2016 and Sandy Genis*, FPPC No. 18/1359. (The Commission approved a default decision on November 21, 2024). Genis had three open committees, across three election cycles. Genis, and the three committees, among other violations, failed to timely file semi-annual campaign statements. The Commission imposed a penalty of \$4,000 per count for these violations.

- The same penalty of \$4,000 per count is recommended here because, like in *Genis*, Evans failed to file numerous semi-annual statements across multiple committees. Additionally, both Genis and Evans were successful candidates, holding office and appearing on the ballot simultaneously.

Failure to Timely File Pre-Election Campaign Statements:
Counts 2, 3, 6, 7, 9, 10, 12, 13, 16, 17, 20, 21, 24, 25, 26, 27

- *In the Matter of Sandy Genis for Costa Mesa City Council 2016 and Sandy Genis*, FPPC No. 18/1359. (The Commission approved a default decision on November 21, 2024). Genis had three open committees, across three election cycles. The respondents, among other violations, failed to timely file pre-election campaign statements. The Commission imposed a penalty of \$3,000 for one pre-election campaign statement due in connection with Genis' primary committee related to her candidacy, and \$2,500 for two pre-election campaign statements due as a result of cross-filing obligations for having multiple open committees and being on the ballot in a later election.
 - As to counts 12, 13, 24, 25, 26, 27, a similar penalty of \$3,000 per count is recommended here because Evans, while a candidate in 2020, 2022, and 2024, failed to timely file pre-election campaign statements in connection with those candidacies, similar to Genis. Specifically, Evans did not file as a City Council Member running for Supervisor in 2020, failed to file again as an incumbent in 2022, and failed to file again when running for City Council in 2024. Similarly, Genis, failed to timely file pre-election campaign statements for her primary committee associated with her 2020 candidacy.
 - As to counts 2, 3, 6, 7, 9, 10, 16, 17, 20, 21, a lower penalty of \$1,500 per count is recommended for these counts. Like in *Genis*, these statements were due because respondents had multiple open committees and Genis was subsequently on the ballot. However, a lesser penalty is recommended here because there is no evidence Evans received any contributions or made expenditures during these periods. Additionally, although both Genis and Evans were successful at various points, Evans does not have as much experience with the Act. When Evans ran for office in 2018 she was a first-time candidate. Genis in contrast, had served as a city council member at various times between 1988 to 2020.

Failure to Timely File 24-Hour Contribution Report: Count 11

- *In the Matter of Pham for Assembly 2018, Long Pham, and Mary Pham*, FPPC No. 18/569. (The Commission approved a default decision on October 17, 2024). The respondents, among other violations, failed to timely file one 24-Hour Report. The contribution was not timely disclosed on another campaign statement and was not disclosed prior to the election. The Commission imposed a penalty of \$4,500 for this violation.

- A lower penalty of \$3,500 is recommended for this count. Unlike in *Pham*, the 24-hour report here was filed well before the election, 10 days late and was disclosed on another campaign statement. In contrast, in *Pham*, bank statements revealed an online transfer to the committee bank account that required a 24-Hour Report just one day before the election, and the report was never filed.

Recordkeeping: Counts 22 and 23

- *In the Matter of Pham for Assembly 2018, Long Pham, and Mary Pham*, FPPC No. 18/569. (The Commission approved a default decision on October 17, 2024). The respondents, among other violations, failed to maintain records for \$22,529 in unverified contributions and \$22,529 in unverified expenditures, \$3,700 in unexplained transfers, and \$6,800 in non-monetary contributions. A Franchise Tax Board audit found that Pham had not substantially complied with the Act’s disclosure and recordkeeping requirements. The Commission imposed a \$5,000 penalty for this violation.
 - A lower penalty of \$4,000 per count is recommended here. Here, Evans failed to keep adequate records for a lesser amount of contributions and expenditures as Pham: approximately \$8,059 in contributions and \$7,406 in expenditures here, and \$22,529 in contributions and \$22,529 in expenditures in Pham. In both cases, the recordkeeping violations were revealed by an audit and both audit findings found that the respondents failed to substantially comply with the Act’s disclosure and recordkeeping requirements, which included multiple categories of required documentation. However, unlike here, in *Pham* there was evidence of intentional violation of the Act by concealing the contributor information, which led to a lack of records to substantial campaign contributors. Therefore, a lesser penalty is recommended.

20 **INTRODUCTION**

21 Stevevonna Evans (“Evans”) was a successful candidate for Adelanto City Council in the
22 November 6, 2018 General Election, and an unsuccessful candidate for San Bernardino County
23 Supervisor in the March 3, 2020 Primary Election and Mayor of Adelanto in the November 8, 2022
24 General Election. Committee to Elect Stevevonna Evans 2018 Adelanto City Council (“the 2018
25 Committee”) and Stevevonna Evans for Board of Supervisors 2020 (“the 2020 Committee”) are Evans
26 candidate-controlled committees. Robert Syas (“Syas”) is the treasurer of the 2018 Committee and Tina
27 McKinnor (“McKinnor”) was the 2020 Committee’s treasurer from October 21, 2019 to June 8, 2020.
28

1 Evans is also on the ballot in the November 5, 2024 General Election as a candidate for Adelanto City
2 Council.

3 The Political Reform Act (the “Act”)¹ requires candidates appearing on the ballot at the next
4 election, and their controlled committees, to timely file campaign statements and reports, as well as
5 maintain the detailed records necessary to prepare campaign statements. The 2018 Committee, Evans
6 and Syas failed to timely file certain campaign statements. The 2020 Committee, Evans, and McKinnor
7 failed to timely file certain campaign statements and reports and failed to maintain adequate records.
8 Evans, as a candidate in the 2022 and 2024 General Election, failed to timely file campaign statements
9 in connection with her candidacies.

10 SUMMARY OF THE LAW

11 The Act and its regulations are amended from time to time. The discussion below regarding
12 jurisdiction, the standard for finding probable cause, and the contents of the probable cause report
13 includes references to current law. Unless otherwise noted, all other legal references and discussions of
14 law pertain to the Act’s provisions as they existed at the time of the violations in this case.

15 **Jurisdiction**

16 The Fair Political Practices Commission (the “Commission”) has primary responsibility for the
17 impartial, effective administration and implementation of the Act.² This includes enforcement through
18 administrative prosecution.³ However, before the Commission’s Enforcement Division may commence
19 administrative prosecution by filing/serving an Accusation, a hearing officer (either the General Counsel
20 of the Commission or another attorney in the Commission’s Legal Division) must determine whether
21 there is probable cause that supports a reasonable belief or strong suspicion that one or more violations
22 of the Act occurred.⁴ Any finding of probable cause is required by law to be announced publicly, which
23 includes the posting of a summary of the allegations on the Commission’s website.⁵ After a finding of

1 probable cause, the Commission may then hold a hearing to determine what violations have occurred—
2 and levy an administrative penalty of up to \$5,000 for each violation.⁶

3 **Standard for Finding Probable Cause**

4 For the hearing officer to make a finding of probable cause, it is only necessary that they be
5 presented with evidence that sufficiently supports a reasonable belief or strong suspicion that the Act has
6 been violated.⁷ Probable cause may only be found if the Respondents were notified of the violations at
7 least 21 days prior to the hearing officer’s consideration of the alleged violations.⁸

8 **Contents of the Probable Cause Report**

9 The probable cause report is required to contain a summary of the law and evidence that supports
10 a finding of probable cause that each alleged violation of the Act has occurred, as well as a description
11 of any exculpatory evidence indicating a violation alleged in the report did not occur. The evidence
12 recited in the probable cause report may include hearsay.⁹

13 **Need for Liberal Construction and Vigorous Enforcement of the Political Reform Act**

14 When enacting the Act, the people of California found and declared that previous laws regulating
15 political practices suffered from inadequate enforcement by state and local authorities.¹⁰ For this reason,
16 the Act is to be construed liberally to accomplish its purposes.¹¹

17 A central purpose of the Act is to promote transparency by ensuring that receipts and
18 expenditures in election campaigns are fully and truthfully disclosed so that voters are fully informed
19 and improper practices are inhibited.¹² Another purpose of the Act is to provide adequate enforcement
20 mechanisms so that the Act will be “vigorously enforced.”¹³

21 **Controlled Committee**

22 The Act defines “committee” to include any person or combination of persons who directly or
23 indirectly receives contributions totaling \$2,000 or more in a calendar year,¹⁴ commonly known and

2 controlled directly or indirectly by a candidate.¹⁵

3 A person or combination of persons that becomes a committee shall retain its status as a
4 committee until such time as that status is terminated.¹⁶

5 A treasurer of a committee may terminate the committee's status as a committee, only by
6 completing the termination section on the Form 410 declaring, under penalty of perjury, that the
7 committee has ceased to receive contributions and make expenditures and does not anticipate receiving
8 contributions or making expenditures in the future; has eliminated or has declared that it has no intention
9 or ability to discharge all of its debts, loans received and other obligations; has no surplus funds; and has
10 filed all required campaign statements disclosing all reportable transactions.¹⁷

11 **OTHER RELEVANT EVIDENCE**

12 Although Evans has no prior history of violating these provisions of the Act, Evans was a
13 successful candidate in 2018. Evans ran for office again in 2020, 2022 and is running in 2024.

14 Therefore, Evans should know the requirements of the Act.

15 During the Audit of the 2020 Committee, records were requested from the candidate and the
16 treasurer, however Evans failed to provide records. During the investigation, the Enforcement Division
17 contacted Evans several times requesting copies of invoices and other records related to advertisements,
18 but records were not provided.

28

APPLICABLE LAW

11. All applicable law in this Accusation is the law as it existed during the relevant time for the violations alleged.

A. Controlled Committee

The Act defines “committee” to include any person or combination of persons who directly or indirectly receives contributions totaling \$2,000 or more in a calendar year,⁵ commonly known and referred to as a “recipient committee.” A recipient committee is a “controlled committee” when it is controlled directly or indirectly by a candidate.⁶

13. A person or combination of persons that becomes a committee shall retain its status as a committee until such time as that status is terminated.⁷

14. A treasurer of a committee may terminate the committee's status as a committee, only by completing the termination section on the Form 410 declaring, under penalty of perjury, that the committee has ceased to receive contributions and make expenditures and does not anticipate receiving contributions or making expenditures in the future; has eliminated or has declared that it has no intention or ability to discharge all of its debts, loans received and other obligations; has no surplus funds; and has filed all required campaign statements disclosing all reportable transactions.⁸

15. The filing obligations of a candidate or officeholder who has one or more controlled committees terminate when the individual has terminated all controlled committee(s) and has left office.⁹

B. Duty to File Campaign Statements

16. At the core of the Act’s campaign reporting system is the requirement that candidates and committees must file campaign statements and reports for certain periods and by certain deadlines.¹⁰ The Act requires candidates and their controlled committees to file campaign statements at specific times disclosing information regarding contributions received and expenditures made by the campaign committees.¹¹

Re: Form 460's Past Due

Dear Ms. Evans

On May 18, 2020, and December 28, 2020, our office wrote to you stating that we have not received your campaign disclosure statement, Form 460's which was due on January 31, 2020 and July 31, 2020.

To date, our office has not received this statement. Government Code Section 91013 imposes a fine of \$10 per day after the filing deadline until the statement is filed. The liability is limited to the cumulative amount of contributions received or expenditures made for the period covered by the late statement or \$100, whichever is greater. You now owe \$100 to the City of Adelanto, because it has been more than six (6) months since your statements were due. There are no provisions for extending a deadline for submission of the statement under the Political Reform Act of 1974. Please remit the amount of \$100 immediately to the City of Adelanto.

If you have filed this statement, please contact our office so that we may verify our records.

This matter will be referred to the Fair Political Practices Commission's Enforcement Division.

Sincerely,

Brenda Lopez

CONSOLIDATED AUDIT REPORT:

Stevevonna Evans
Stevevonna Evans for Board of Supervisor 2020 (ID# 1421911)

January 1, 2019 through June 30, 2020

TREASURERS:

Stevevonna Evans

Tina McKinnor (01/01/2019 – 06/07/2020)
The McKinnor Group

CONTRIBUTIONS AND EXPENDITURES:

Total Contributions Received: \$6,298

Total Expenditures: \$5,278

The totals for contributions received and expenditures were taken from the unaudited campaign statements as filed with the San Bernardino County Registrar of Voters for the period indicated above.

BACKGROUND INFORMATION:

The Committee is controlled by Stevevonna Evans, former City of Adelanto Council Member. Stevevonna Evans was a candidate for San Bernardino County Board of Supervisor, District 1, in the Primary Election held on March 3, 2020.

AUTHORITY FOR AUDIT:

This audit was conducted under the authority of Section 83123.5 of the California Government Code and the County of San Bernardino Campaign Law Enforcement Agreement.

SCOPE OF AUDIT:

The audit was performed in accordance with generally accepted auditing standards and the auditing standards set by the Fair Political Practices Commission. The audit included such tests of the accounting records and other such auditing procedures as were considered necessary in the circumstances.

OPINION:

The filers, in our opinion, have not substantially complied with the disclosure and/or recordkeeping provisions of the Political Reform Act (Government Code Section 81000 et seq.) and related rules and regulations of the Fair Political Practices Commission, and the County of San Bernardino Campaign Finance Reform Ordinance.

FINDINGS:

Finding 1: Recordkeeping

Observation:

Copies of contributors' checks and ActBlue records for contributions received totaling \$8,059 and copies of canceled checks and bank statements for expenditures made totaling \$7,471 were not maintained. Copies of canceled checks, contributors' checks, ActBlue California checks, deposit slips, bank statements, and the campaign bank account application were subpoenaed from Wells Fargo Bank (WFB). Records were requested from the candidate and the treasurer, but not provided, although the WFB account application listed Tina S McKinnor as "Customer Name" and the "Signor" on the account.

In addition, records were not provided for individual contributors' occupation and/or employer information for contributions totaling \$2,350.

Reference Exhibit A and B

Finding 2: Recordkeeping

Observation:

Invoices and/or receipts were not maintained for expenditures made totaling \$7,406. This includes

payments made to The McKinnor Group totaling \$2,783 reported as consulting services. Invoices and/or receipts were requested from the candidate and the treasurer, but not provided.

Reference Exhibit B

Finding 3: Reports and Statements

Observation:

A Form 460 Semi-annual Statement was not filed with San Bernardino County for the period February 16 through June 30, 2020. Receipts and expenditures during this period each totaled \$902 and \$2,061, respectively.

Reference Exhibit A and B

AUDITEE RESPONSE:

I hope this letter finds you well. I am writing to address the findings of the recent audit conducted on my campaign, Stevevonna Evans for Board of Supervisor 2020 (ID#1421911). I appreciate the thorough examination and the effort your office has put into ensuring compliance with campaign finance regulations.

Upon reviewing the audit report, I must acknowledge that there are numerous entries and discrepancies that have come to my attention, and I would like to provide some context to better explain the circumstances surrounding these issues. It is important for me to emphasize that I, as the candidate, take full responsibility for the oversight of the campaign's financial matters.

I want to clarify that, as the candidate, my focus during the campaign was primarily on engaging with constituents, addressing key issues, and building a platform that would resonate with the community. Recognizing the complexity of campaign finance regulations, I made the conscious decision to hire a treasurer who possesses the knowledge and expertise necessary to ensure compliance with all legal requirements.

However, it has become apparent that there were lapses in communication and reporting between myself and the treasurer, leading to instances where I was not made aware of certain financial activities outlined in the audit report. While I understand that ignorance is not a valid defense, I want to assure you that steps are already being taken to rectify these shortcomings and establish more robust communication channels within any future campaign infrastructure.

In hindsight, I realize the importance of a more hands-on approach in overseeing the financial aspects of the campaign. Moving forward, I am committed to implementing corrective measures to prevent similar issues in any future campaigns. I understand that the responsibility ultimately rests on my shoulders as the candidate, and I take this matter seriously.

I am open to any guidance or recommendations your office may provide to help me rectify the identified discrepancies and ensure full compliance with campaign finance regulations. I am also willing to cooperate fully with any additional steps required to address these concerns and bring resolution to this matter.

I appreciate your attention to this matter and am confident that, with your guidance, we can work together to rectify the issues highlighted in the audit report. Please feel free to contact me if further clarification or information is required.

Thank you for your understanding and cooperation in this matter.

Prepared by the Fair Political Practices Commission pursuant to Section 83123.5 of the Government Code and the County of San Bernardino Campaign Law Enforcement Agreement. Adopted this 5th day of March 2024.
