Warning Letter Re: FPPC No. 2022-00478; Rob Tribble

Dear Mr. Tribble:

The Enforcement Division of the Fair Political Practices Commission enforces the provisions of the Political Reform Act (the "Act").¹ As you are aware, the Enforcement Division received an anonymous complaint alleging that, as a candidate for Nevada County Auditor-Controller in the June 7, 2022 Primary Election, you failed to timely file a pre-election campaign statement.

The Act requires candidate-controlled committees to file two pre-election campaign statements prior to the election in which the candidate is listed on the ballot.² For the period ending 45 days before the election, the statement shall be filed no later than 40 days before the election.³ The Act allows a candidate who has not met the committee qualification threshold (by raising or spending \$2,000 or more) by the first pre-election campaign statement deadline to file Form 470 (Short Form) instead of Form 460.⁴

Your actions violated the Act because you failed to timely file a pre-election campaign statement by the April 28, 2022 deadline. However, the Enforcement Division has decided to close this case with this warning letter rather than a fine because you filed the required campaign statement after you were contacted by the Enforcement Division and before the election. Additionally, you reported a low amount of activity that did not reach the \$2,000 committee qualification threshold, therefore, you were eligible to file a Form 470. Lastly, you have no prior history of violating the Act.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

¹ The Political Reform Act is contained in Government Code sections 81000 through 91014 and all statutory references are to this code.

² Section 84200.5.

³ Section 84200.8, subd. (a).

⁴ Sections 84206 and 84200.8; Regulation 18406.

A warning letter is an Enforcement Division case resolution without administrative prosecution or fine. The Commission has adopted Regulation 18360.1 to authorize the Enforcement Division to issue warning letters to conclude cases in specified circumstances. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the Enforcement Division will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the Commission's website ten (10) days from the date of this letter. If you have any questions, please feel free to contact Tara Stock tstock@fppc.ca.gov.

Sincerely,

Angela J. Brereton
