Warning Letter Re: FPPC Case No. 2021-01136; Siskiyou Forward Movement

Dear Siskiyou Forward Movement & Ms. Garza,

The Enforcement Division of the Fair Political Practices Commission enforces the provisions of the Political Reform Act (the “Act”).¹ This letter is in response to a referral from the Siskiyou County Clerk regarding the local general-purpose committee: Siskiyou Forward Movement (the “Committee”).

The Enforcement Division has completed its review of the facts in this case. Specifically, we found that you and the Committee failed to timely file three semi-annual campaign statements for the reporting periods of: January 1, 2020 through June 30, 2020, by the July 31, 2020 deadline; October 18, 2020 through December 31, 2020 by the January 31, 2021 deadline, and January 1, 2021 through June 30, 2021 by the July 31, 2021 deadline.

The Act requires committees to file semi-annual campaign statements each year no later than July 31 for the period ending June 30, and no later than January 31 for the period ending December 31.² The obligation to file semi-annual campaign statements continues until the committee terminates.

Your actions violated the Act because you and the Committee failed to timely file the above referenced semi-annual campaign statements by the required due dates. However, mitigating evidence exists such that the Enforcement Division has elected to close this case with this warning letter rather than issuing a fine: the Committee had a low level of activity during the reporting periods, the Committee filed its campaign statements quickly after being contacted by the

² Section 84200

Enforcement Division, and neither you nor the Committee have a prior history of violating this section of the Act.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

A warning letter is an Enforcement Division case resolution without administrative prosecution or fine. The Commission has adopted Regulation 18360.1 to authorize the Enforcement Division to issue warning letters to conclude cases in specified circumstances. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the Enforcement Division will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the Commission's website ten (10) days from the date of this letter
