**Re: Warning Letter
FPPC No. 2022-00447; Darren Duez**

Dear Darren Duez:

The Enforcement Division of the Fair Political Practices Commission enforces the provisions of the Political Reform Act (the “Act”).¹ In response to the Enforcement Division’s pre-election outreach efforts, we were made aware by the Tuolumne County Clerk’s office that you failed to timely file a pre-election campaign statement in connection with the June 7, 2022 Primary Election.

The Act requires candidates who do not have an open committee and do not plan to raise or spend \$2,000 or more in connection with the applicable election to file Form 470 (Campaign Statement – Short Form) covering the entire calendar year by the deadline for the first pre-election campaign statement. (Sections 84200.5 and 84206.)

You violated the Act by failing to timely file your Form 470 by the April 28, 2022 deadline. But since you filed your Form 470 before Enforcement contact, you filed it before the election, you were an unsuccessful candidate, and you have not had a prior violation of this section, the Enforcement Division has decided to close your case with this warning letter rather than a fine. Please note that while the Enforcement Division is closing this matter without a fine, your filing officer may assess late filing penalties.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

A warning letter is an Enforcement Division case resolution without administrative prosecution or fine. The Commission has adopted Regulation 18360.1 to authorize the Enforcement Division to issue warning letters to conclude cases in specified circumstances. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the

¹ The Political Reform Act is contained in Government Code sections 81000 through 91014 and all statutory references are to this code.

Enforcement Division will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the Commission's website ten (10) days from the date of this letter. If you have questions, please contact Shaina Elkin at selkin@fppc.ca.gov or (916) 327-2020.

Sincerely,

Angela J. Brereton
