Warning Letter Re: FPPC No. 2021-00850; Leah La Croix for San Francisco Democratic County Central Committee, AD 19 2020, and Leah La Croix

Dear Committee:

The Enforcement Division of the Fair Political Practices Commission enforces the provisions of the Political Reform Act (the “Act”).¹ This letter is in response to a referral from your filing officer, San Francisco Ethics Commission, that alleged you failed to timely file campaign statements as required by Section 84200, et seq.

The Enforcement Division has completed its review of the facts in this case. Specifically, we found that you failed to timely file the pre-election campaign statements for the reporting period of January 1, 2020 through January 18, 2020, by the January 23, 2020 due date; January 19, 2020 through February 15, 2020, by the February 20, 2020 due date; and the semi-annual campaign statements for the reporting period of February 16, 2020 through June 30, 2020, by the July 31, 2020 due date; July 1, 2020 through December 31, 2020, by the January 31, 2021 due date; January 1, 2021 through June 30, 2021, by the July 31, 2021 due date; July 1, 2021 through December 31, 2021, by the January 31, 2022 due date; January 1, 2022 through June 30, 2022, by the July 31, 2022 due date; and July 1, 2022 through December 31, 2022, by the January 31, 2022 due date.

The Act requires candidate-controlled committees to file two pre-election campaign statements at specified times prior to the election in which the candidate will be on the ballot, as well as semi-annual campaign statements each year no later than July 31 for the period ending June 30, and no later than January 31 for the period ending December 31.² The obligation to file semi-annual campaign statements continues until the candidate or treasurer terminates the committee.

¹ The Political Reform Act is contained in Government Code sections 81000 through 91014, and all statutory references are to this code. The regulations of the Fair Political Practices Commission are contained in Sections 18110 through 18997 of Title 2 of the California Code of Regulations, and all regulatory references are to this source.

² Sections 84200.5 and 84200.

Controlling candidates and committee treasurers are jointly and severally liable for violations by the committee.³

Your actions violated the Act because you failed to timely file the pre-election campaign statements by the due dates of January 23, 2020, and February 20, 2020; and the semi-annual campaign statements by the due dates of July 31, 2020; January 31, 2021; July 31, 2021; January 31, 2022; July 31, 2022; and January 31, 2023. But, for the following reasons, the Enforcement Division has decided to close this case with this warning letter rather than a fine because the failure to timely file the campaign statements was of minimal public harm because it appears you had very little campaign activity, and you have no history of violating the Act. Please note that while the Enforcement Division is closing this matter without a fine, your filing officer may assess late filing penalties.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

A warning letter is an Enforcement Division case resolution without administrative prosecution or fine. The Commission has adopted Regulation 18360.1 to authorize the Enforcement Division to issue warning letters to conclude cases in specified circumstances. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the Enforcement Division will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the Commission's website ten (10) days from the date of this letter.

Please feel free to contact Vanessa Greer at vgreer@fppc.ca.gov or 916-322-2043 with any questions you may have regarding this letter.

Sincerely,

Christopher B. Burton
