**Warning Letter: FPPC No. 2019-00847; Joe Armstrong**

Dear Joe Armstrong,

The Enforcement Division of the Fair Political Practices Commission (“FPPC”) enforces the provisions of the Political Reform Act (the “Act”).<sup>1</sup> This letter is in response to a referral from the Placer County Clerk. The Enforcement Division found that as a result of your positions as Board Member with Harvest Ridge Cooperative Charter School and Board Member with Placer Academy, the Act required you to periodically file a Statement of Economic Interests (“SEI”) and that you failed to timely file your Leaving Office and Assuming Office SEIs.

Section 87300 of the Act requires every state and local agency to develop a Conflict of Interest Code. This Code requires individuals who participate in making decisions which may foreseeably have a material financial effect on any financial interest belonging to that person to disclose all reportable interests on SEIs.<sup>2</sup> Individuals required to file SEIs must file within 30 days of assuming office, annually thereafter at the time specified by the Code, and within 30 days of leaving office.<sup>3</sup>

Your actions violated the Act by failing to file your Leaving Office SEI for your position with Harvest Ridge Cooperative Charter School and Assuming Office SEI for your position with Placer Academy by the specified deadlines. However, Harvest Ridge Cooperative Charter School and Placer Academy are closed, you are no longer in either position, and you have not had a prior violation of this section. Based on the foregoing, and in accordance with the Enforcement Division Policy Directives formally adopted by the Commission on January 26, 2023, which requires the Enforcement Division to take all appropriate actions within their discretion to decrease the Division’s annual carryover caseload, the Enforcement Division is closing this case with this warning letter.<sup>4</sup> Discretion was used based upon mitigating or aggravating circumstances and the totality of the circumstances.<sup>5</sup> This resolution may not be used as a comparable case for other enforcement matters.<sup>6</sup>

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

Although the Enforcement Division is closing this case without seeking a penalty, you are still required to file all outstanding SEIs and pay any late filing fees assessed by your filing officer. Please contact your filing officer, the Placer County Clerk at [clerk@placer.ca.gov](mailto:clerk@placer.ca.gov), for further information about your required filings. Any future non-filings may result in monetary penalties and this warning letter may be considered in any future enforcement actions.

A warning letter is an Enforcement Division case resolution without administrative prosecution or fine. The Commission has adopted Regulation 18360.1 to authorize the Enforcement Division to issue warning letters to conclude cases in specified circumstances. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the Enforcement Division will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the Commission's website ten (10) days from the date of this letter.

If you have any questions regarding this letter, please contact Ginny Brown at 916-322-8064 or [gbrown@fppc.ca.gov](mailto:gbrown@fppc.ca.gov).

Sincerely,

*Christopher B. Burton*
