Warning Letter re: FPPC Case No. 2019-01006, McKinley Williams

Dear McKinley Williams:

The Enforcement Division of the Fair Political Practices Commission (“Commission”) enforces the provisions of the Political Reform Act (the “Act”).¹ This letter is in response to a referral from the City of Richmond. The Enforcement Division found that as a result of your position as a Board Member for the City of Richmond Personnel Board, the Act required you to periodically file a Statement of Economic Interests (“SEI”), and that you failed to timely file your 2016 Annual, 2018 Annual, 2019 Annual, 2021 Annual, and Leaving Office SEIs.

Section 87300 of the Act requires every state and local agency to develop a Conflict of Interest Code. This Code requires individuals who participate in making decisions which may foreseeably have a material financial effect on any financial interest belonging to that person to disclose all reportable interests on SEIs.² Individuals required to file SEIs must file within 30 days of assuming office, annually thereafter at the time specified by the Code, and within 30 days of leaving office.³

You violated the Act by failing to file your 2016 Annual, 2018 Annual, 2019 Annual, 2021 Annual, and Leaving Office SEIs, by the specified deadlines.⁴ However, you are no longer in this position, you have since filed your 2016 and 2018 Annual SEIs, and you do not have a prior history of violating the Act. Based on the foregoing, and in accordance with the Enforcement Division Policy Directives formally adopted by the Commission on January 26, 2023, which requires the Enforcement Division to take all appropriate actions within their discretion to decrease the Division’s annual carryover caseload, the Enforcement Division is closing this case with this warning letter.⁵ Discretion was used based upon mitigating or aggravating circumstances and the

⁴ An administrative action for a violation of the Act has a five-year statute of limitations. In this matter, a probable cause report was served on Respondent on or around September 14, 2021, effectively tolling the statute of limitations. (See Sections 91000.5 and 83115.5.)

totality of the circumstances.⁶ This resolution may not be used as a comparable case for other enforcement matters.⁷

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

Although the Enforcement Division is closing this case without seeking a penalty, you are still required to file all outstanding SEIs. Please contact your filing officer for further information. Any future non-filings may result in monetary penalties and this warning letter may be considered in any future Commission enforcement actions.

A warning letter is an Enforcement Division case resolution without administrative prosecution or fine. The Commission has adopted Regulation 18360.1 to authorize the Enforcement Division to issue warning letters to conclude cases in specified circumstances. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the Enforcement Division will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the Commission's website ten (10) days from the date of this letter.

Please feel free to contact me at JRinehart@fppc.ca.gov or (916) 323-6302 (voicemail) with any questions you may have regarding this letter.

Sincerely,

Jenna Rinehart
