Warning Letter Re: FPPC No. 2021-00059, San Bernardino County Taxpayers Association

Dear San Bernardino County Taxpayers Association:

The Enforcement Division of the Fair Political Practices Commission enforces the provisions of the Political Reform Act (the “Act”).¹ This letter is in response to referrals from the County of San Bernardino alleging that San Bernardino County Taxpayers Association (“the Committee”) failed to timely file two semi-annual campaign statements. The Enforcement Division has completed its review of the facts in this case. Specifically, we found that the Committee failed to timely file two semi-annual campaign statements for the reporting periods ending June 30, 2020 and June 30, 2021, by the applicable due dates.

A central purpose of the Act is to ensure voters are fully informed and improper practices are inhibited by requiring committees to disclose all contributions received and expenditures made throughout a campaign on timely filed campaign statements and reports.² The Act requires general purpose committees to file semi-annual campaign statements each year no later than July 31 for the period ending June 30, and no later than January 31 for the period ending December 31.³ The obligation to file semi-annual campaign statements continues until the treasurer terminates the committee. Committee treasurers are jointly and severally liable for violations by the committee.⁴

The Committee failed to timely file two semi-annual campaign statements, as discussed above. However, the Enforcement Division has decided to close this case with a warning letter because the Committee filed the required campaign statements with the San Bernardino County Registrar after being contacted by the Enforcement Division, the Committee had not activity to disclose during the reporting periods, the Committee’s treasurer at the time passed away when the

statements were supposed to be filed, the Committee is now terminated, and the Committee has no prior history of violating this section of the Act.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

A warning letter is an Enforcement Division case resolution without administrative prosecution or fine. The Commission has adopted Regulation 18360.1 to authorize the Enforcement Division to issue warning letters to conclude cases in specified circumstances. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the Enforcement Division will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the Commission's website ten (10) days from the date of this letter.
