Re: Warning Letter Re: FPPC No. 2024-00189; Alfonso Leonardo Hernandez

Dear Alfonso Leonardo Hernandez,

The Enforcement Division of the Fair Political Practices Commission enforces the provisions of the Political Reform Act (the "Act").¹ As you are aware, in response to the Enforcement Division's pre-election outreach program, we were made aware by the Los Angeles County Registrar-Recorder County Clerk records that you failed to timely file a pre-election campaign statement in connection with the March 5, 2024 Primary Election.

The Act requires candidates who do not have an open committee and do not plan to raise or spend \$2,000 or more in connection with the applicable election to file Form 470 (Campaign Statement – Short Form) covering the entire calendar year by the deadline for the first preelection campaign statement.²

You violated the Act because you failed to file your Form 470 by the January 25, 2024 deadline. But since you filed your Form 470 before the election, and you have not had a prior violation of this section, the Enforcement Division has decided to close your case with this warning letter rather than a fine. Please note that while the Enforcement Division is closing this matter without a fine, your filing officer may still assess late filing penalties.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

A warning letter is an Enforcement Division case resolution without administrative prosecution or fine. The Commission has adopted Regulation 18360.1 to authorize the Enforcement Division to issue warning letters to conclude cases in specified circumstances. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning,

¹ The Political Reform Act is contained in Government Code sections 81000 through 91014, and all statutory references are to this code.

² Sections 84200.5 and 84206.

please notify us within ten (10) days from the date of this letter. Upon this notification, the Enforcement Division will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the Commission's website ten (10) days from the date of this letter. If you have questions, please contact Cinthya Bernabe at cbernabe@fppc.ca.gov or (279)237-5978.

Sincerely,

Cinthya Bernabé
