Warning Letter re: FPPC No. 2023-00753; John Pospishek

Dear John Pospishek:

The Enforcement Division of the Fair Political Practices Commission enforces the provisions of the Political Reform Act¹ (the “Act”). This letter is in response to a referral from your filing officer. The Enforcement Division found that as a result of your position as a Board Member for the Valley Transportation Authority Deferred Compensation Committee (“VTA Deferred Compensation Committee”) for the Santa Clara Valley Transportation Authority, the Act required you to periodically file Statements of Economic Interests (“SEIs”) and that you failed to timely file your Assuming Office SEI and Leaving Office SEI for your time spent on the committee in 2020, and your Assuming Office SEI when you rejoined the committee in 2023.

Section 87300 of the Act requires every state and local agency to develop a Conflict of Interest Code. This Code requires individuals who participate in making decisions which may foreseeably have a material financial effect on any financial interest belonging to that person to disclose all reportable interests on SEIs.² Individuals required to file SEIs must file within 30 days of assuming office, annually thereafter at the time specified by the Code, and within 30 days of leaving office.³

You violated the Act by failing to timely file your Assuming Office SEI and Leaving Office SEI for your time spent on the VTA Deferred Compensation Committee in 2020 and failing to timely file your Assuming Office SEI once rejoining the VTA Deferred Compensation Committee in 2023. However, we are resolving this matter with this warning letter because you served on the VTA Deferred Compensation Committee for less than two months in 2020 and do not have a prior violation of this section.

Based on the foregoing, and in accordance with the Enforcement Division Policy Directive formally adopted by the Commission on January 26, 2023, which requires the Enforcement Division to take all appropriate actions within their discretion to decrease the Division’s annual carryover caseload, the Enforcement Division is closing this case with this warning letter.⁴ Discretion was used based

upon mitigating or aggravating circumstances and the totality of the circumstances.⁵ This resolution may not be used as a comparable case for other enforcement matters.⁶

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

Although the Enforcement Division is closing this case without seeking a penalty, you are still required to file your SEIs and pay any late filing fees assessed by your filing officer. Please contact your filing officer at form700@cob.sccgov.org for further information. Any future non-filings may result in monetary penalties and this warning letter may be considered in any future enforcement actions.

A warning letter is an Enforcement Division case resolution without administrative prosecution or fine. The Commission has adopted Regulation 18360.1 to authorize the Enforcement Division to issue warning letters to conclude cases in specified circumstances. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the Enforcement Division will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the Commission's website ten (10) days from the date of this letter.

If you have any questions regarding this letter, please contact Jaleena Evans at 279-237-3754 or jevans@fppc.ca.gov.

Sincerely,

Jaleena Evans
