Warning Letter Re: FPPC No. 2020-01135; Campaign to Elect Maria G. Lopez for School Board 2015

Dear Respondent,

The Enforcement Division of the Fair Political Practices Commission enforces the provisions of the Political Reform Act (the “Act”).¹ This letter is in response to a referral from Los Angeles County alleging that you failed to timely file certain pre-election campaign statements. The Enforcement Division has completed its review of the facts in this case. Specifically, we found that you failed to timely file the statement of organization, one pre-election campaign statement, and three semi-annual statements.

The Act requires candidate-controlled committees to file two pre-election campaign statements at specified times prior to the election in which the candidate will be on the ballot, as well as semi-annual campaign statements each year no later than July 31 for the period ending June 30, and no later than January 31 for the period ending December 31.² The obligation to file semi-annual campaign statements continues until the candidate or treasurer terminates the committee. Controlling candidates and committee treasurers are jointly and severally liable for violations by the committee.³

Your actions violated the Act because you failed to timely file the pre-election campaign statement for the period of July 1, 2020 through September 19, 2020 by the September 24, 2020 deadline as well as three semi-annual campaign statements for the periods ending June 30, 2020, June 30, 2021, and December 31, 2021 by the applicable deadlines. However, because there was very little activity to report, the pre-election campaign statement was filed before the election, there were complications due to the county office being closed because of COVID, and the activity was unrelated to the election that triggered the filing requirements, we are closing this case with this warning letter.

¹ The Political Reform Act is contained in Government Code sections 81000 through 91014, and all statutory references are to this code. The regulations of the Fair Political Practices Commission are contained in Sections 18104 through 18998 of Title 2 of the California Code of Regulations, and all regulatory references are to this source.

² Sections 84200.5 and 84200.

³ Sections 83116.5 and 91006.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

A warning letter is an Enforcement Division case resolution without administrative prosecution or fine. The Commission has adopted Regulation 18360.1 to authorize the Enforcement Division to issue warning letters to conclude cases in specified circumstances. However, the warning letter resolution does not provide your client with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Commission. If your client wishes to avail himself of these proceedings by requesting that his case proceed with prosecution rather than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the Enforcement Division will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the Commission's website ten (10) days from the date of this letter.
