Warning Letter re: FPPC No. 2025-00350; Brian Mitchell

Dear Brian Mitchell:

The Enforcement Division of the Fair Political Practices Commission (“FPPC”) enforces the provisions of the Political Reform Act (the “Act”).¹ This letter is in response to a referral from the FPPC’s Statements of Economic Interests (“SEI”) Unit. The Enforcement Division found that as a result of your position as a Planning Commissioner with the County of Humboldt, the Act required you to periodically file a SEI and that you failed to timely file your 2023 Annual and Leaving Office SEIs.

Section 87200 of the Act requires certain public officials to disclose reportable interests. Every person enumerated within Section 87200 must file an SEI within 30 days of assuming office, annually thereafter at the time specified by Commission regulations, and within 30 days of leaving office.

Your actions violated the Act by failing to file your 2023 Annual and Leaving Office SEIs by the April 1, 2024 deadline. But since you have since you are no longer in the position and have not had a prior violation of this section, the Enforcement Division has decided to close your case with this warning letter.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

Although the Enforcement Division is closing this case without seeking a penalty, you are still required to file all outstanding SEIs and pay any late filing fees assessed by your filing officer. Please contact your filing officer, Cyndi Glaser, at cglaser@fppc.ca.gov for further information about your required filings. Please note that any future non-filings will be brought to our attention and may result in monetary penalties. This warning letter may be considered should a future enforcement action become necessary.

A warning letter is an Enforcement Division case resolution without administrative prosecution or fine. The Commission has adopted Regulations 18360.1 and 18360.2 to authorize the Enforcement Division to issue warning letters to conclude cases in specified circumstances. However, the

warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the Enforcement Division will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the Commission's website ten (10) days from the date of this letter.
