Warning Letter re: FPPC No. 2025-00025; Summer McBride

Dear Summer McBride,

The Enforcement Division of the Fair Political Practices Commission enforces the provisions of the Political Reform Act (the “Act”).¹ This letter is in response to a referral from the Los Angeles County Registrar Recorder/County Clerk regarding your failure to timely file a Candidate Statement of Economic Interests (“SEI”). The Enforcement Division found that as a result of your position as a Candidate for Governing Board Member for the Culver City Unified School District in the November 8, 2022 General Election, the Act required you to file a Candidate SEI, and you violated the Act by failing to file your Candidate SEI by the August 17, 2022 deadline.

Under the Act, a candidate for elective office is required to file a Candidate SEI disclosing their investments, business positions, interests in real property, and income received during the previous 12 months, as outlined in the conflict of interest for the agency of which you are running for office.² The SEI must be filed no later than the deadline for the declaration of candidacy.³

You violated the Act by failing to file the Candidate SEI by August 17, 2022, the final filing date for the declaration of candidacy. However, since you were unsuccessful in the November 8, 2022 General Election, and you have no history of violating the Act, the Enforcement Division has decided to close your case with this warning letter rather than a fine. Although the Enforcement Division is closing this case without seeking a penalty, you are still required to file all outstanding SEIs and pay any late filing fees assessed by your filing officer. Please contact your filing officer, the Los Angeles County Registrar Recorder/County Clerk, at cfid@rrcc.lacounty.gov for further information about your required filings.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

¹ The Political Reform Act is contained in Government Code sections 81000 through 91014, and all statutory references are to this code. The regulations of the Fair Political Practices Commission are contained in Sections 18104 through 18998 of Title 2 of the California Code of Regulations, and all regulatory references are to this source.

² Section 87302.3.

³ *Ibid.*

Although the Enforcement Division is closing this case without seeking a penalty, you are still required to file all outstanding SEIs and pay any late filing fees assessed by your filing officer. A warning letter is an Enforcement Division case resolution without administrative prosecution or fine. The Commission has adopted Regulation 18360.1 to authorize the Enforcement Division to issue warning letters to conclude cases in specified circumstances. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the Enforcement Division will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the Commission's website ten (10) days from the date of this letter.

If you have any questions regarding this letter, please contact Amber Rodriguez at arodriguez@fppc.ca.gov or (279) 237-3756.

Sincerely,

Christopher B. Burton

Christopher B. Burton, Assistant Chief
Enforcement Division
