**Warning Letter re: FPPC No. 2025-00668; Alexander Glew**

Dear Alexander Glew:

The Enforcement Division of the Fair Political Practices Commission enforces the provisions of the Political Reform Act<sup>1</sup> (the “Act”). This letter is in response to a referral from the Commission’s Statement of Economic Interests (“SEI”) Unit regarding your failure to timely file a Candidate SEI. The Enforcement Division found that as a result of your position as a Candidate for State Senate in the March 5, 2024 Primary Election, the Act required you to file a Candidate SEI and you violated the Act by failing to file your Candidate SEI by the December 8, 2023 deadline.

Under the Act, candidates for offices specified in Section 87200 are required to file a Candidate SEI disclosing their investments, business positions, interests in real property, and income received during the previous 12 months.<sup>2</sup> The SEI must be filed no later than the deadline for the declaration of candidacy.<sup>3</sup>

You violated the Act by failing to file the Candidate SEI by December 8, 2023, the final filing date for the declaration of candidacy. However, since you were unsuccessful in the November 5, 2024 General Election, and you have no history of violating the Act, the Enforcement Division has decided to close your case with this warning letter rather than a fine. Although the Enforcement Division is closing this case without seeking a penalty, you are still required to file all outstanding SEIs and pay any late filing fees assessed by your filing officer. Please contact your filing officer, Cyndi Glaser, at [cglaser@fppc.ca.gov](mailto:cglaser@fppc.ca.gov) for further information about your required filings.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

A warning letter is an Enforcement Division case resolution without administrative prosecution or fine. The Commission has adopted Regulations 18360.1 and 18360.2 to authorize the Enforcement Division to issue warning letters to conclude cases in specified circumstances. However, the

warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the Enforcement Division will rescind this warning letter and proceed with administrative prosecution of this case.
