Warning Letter Re: FPPC No. 2021-00864; Arturo Chacon

Dear Arturo Chacon:

The Enforcement Division of the Fair Political Practices Commission enforces the provisions of the Political Reform Act (the “Act”).¹ This letter is in response to a referral from Los Angeles County alleging that you failed to timely file a campaign statement in violation of the Act’s campaign filing provisions. The Enforcement Division has completed its review of the facts in this case. Specifically, we found that you failed to timely file your Officeholder Campaign Statement Short Form (Form 470) by the specified deadline.

The Act allows officeholders who do not have an open committee and do not plan to raise or spend \$2,000 in a calendar year to file a Form 470 (Campaign Statement - Short Form) covering the entire calendar year with the local elections office by July 31.²

You violated the Act because you failed to file your Form 470 by August 2, 2021. However, we are closing this matter with this warning letter because late filing was of minimal public harm, the activity was unrelated to the election that triggered filing requirements, the respondent filed the missing statement in response to Enforcement contact, and there was no activity during the reporting period.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

A warning letter is an Enforcement Division case resolution without administrative prosecution or fine. The Commission has adopted Regulation 18360.1 to authorize the

Enforcement Division to issue warning letters to conclude cases in specified circumstances. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the Enforcement Division will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the Commission's website ten (10) days from the date of this letter.
