Warning Letter re FPPC Case No. 2026-00627; Erica Halpern

Dear Erica Halpern:

The Enforcement Division of the Fair Political Practices Commission (“FPPC”) enforces the provisions of the Political Reform Act (the “Act”).¹ This letter is in response to a non-sworn complaint alleging that Del Mar Union School District has failed to make sure key staffers and contractors are filing Form 700s and disclosing all their financial interests. The Enforcement Division found that, as a result of your former position as a Board of Trustees Member for the Del Mar Union School District, the Act required you to periodically file an SEI and that you failed to timely file your Leaving Office SEI.

Section 87200 of the Act requires certain public officials to disclose reportable interests. Every person enumerated within Section 87200 must file an SEI within 30 days of assuming office, annually thereafter at the time specified by Commission regulations, and within 30 days of leaving office.

You violated the Act by failing to timely file your Leaving Office SEI by the January 17, 2025 deadline. However, you filed the Leaving Office SEI on March 21, 2025 before you were contacted by the Enforcement Division, there was a low level of public harm, and you have no prior Enforcement history. For these reasons, we are closing your case with this warning letter rather than a fine.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

Although the Enforcement Division is closing this case without seeking a penalty, you are still required to pay any late filing fees assessed by your filing officer. Please contact your filing officer, the County of San Diego at form700@sdcounty.ca.gov, for further information. Please note that any future non-filings will be brought to our attention and may result in monetary

penalties. This warning letter may be considered should a future enforcement action become necessary.

A warning letter is an Enforcement Division case resolution without administrative prosecution or fine. The Commission has adopted Regulations 18360.1 and 18360.2 to authorize the Enforcement Division to issue warning letters to conclude cases in specified circumstances. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within 10 days from the date of this letter. Upon this notification, the Enforcement Division will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the Commission's website 10 days from the date of this letter.

If you have any questions regarding this letter, please contact Jaleena Evans at jevans@fppc.ca.gov or 279-237-3754.

Sincerely,

Jaleena Evans
