No Action Closure Letter re FPPC No. 2026-00941; Scott Dosick

Dear Scott Dosick:

The Enforcement Division of the Fair Political Practices Commission ("Commission") enforces the provisions of the Political Reform Act (the "Act").[1] This letter is in response to a referral from the County of Sacramento Voter Registration and Elections alleging that you failed to timely file a Form 470 (Campaign Short Form) for the calendar years 2024 and 2025 for your position with the Natomas Unified School District.

The Enforcement Division recently contacted you, and you explained that you did not receive the notifications sent by the County of Sacramento Voter Registration and Elections regarding your requirement to file the Form 470s. The County of Sacramento Voter Registration and Elections has since confirmed that they did not send notifications regarding the Form 470 for the calendar year 2024, and it appears that the notifications regarding the Form 470 for the calendar year 2025 were sent to your former address. Additionally, you have since filed the missing reports. For these reasons, we are closing this matter without further action. Although the Enforcement Division is closing this matter without seeking a penalty, you are still required to pay any late filing fees assessed by your filing officer, the County of Sacramento Voter Registration and Elections. If you have any questions regarding this letter, please contact Amber Rodriguez at arodriguez@fppc.ca.gov or (279) 237-3756.

Sincerely,

Christopher Burton

Christopher Burton, Assistant Chief
Enforcement Division
