Warning Letter re FPPC No. 2025-00788; Alicia Linden Anderson

Dear Alicia Linden Anderson:

The Enforcement Division of the Fair Political Practices Commission ("FPPC") enforces the provisions of the Political Reform Act (the "Act").[1] This letter is being sent in response to a referral from your filing officer, the Los Angeles County Registrar-Recorder/County Clerk, alleging that you failed to comply with your campaign filing obligations in connection with your position as a member of the Paramount Unified School District Board of Education.

Elected officers are required to file semiannual campaign statements each year no later than July 31 for the period ending June 30, and no later than January 31 for the period ending December 31.[2] An elected officer who does not have a controlled committee and does not plan to receive contributions totaling $2,000 or more or make expenditures totaling $2,000 or more during the calendar year may satisfy the applicable campaign reporting requirements by timely filing an Officeholder and Candidate Campaign Statement – Short Form ("Form 470").[3]

The Enforcement Division has completed its review of the facts in this case. Your actions violated the Act because, as a member of the Paramount Unified School District Board of Education, you were required to file semiannual campaign statements by their respective deadlines or a Form 470 and the evidence shows that the forms were filed late. You filed your 2023 Form 470 nearly three years late on September 15, 2026 and the 2024 Form 470 nearly three months late on September 13, 2024.

[1] The Political Reform Act is contained in Government Code sections 81000 through 91014, and all statutory references are to this code. The regulations of the Fair Political Practices Commission are contained in sections 18104 through 18998 of Title 2 of the California Code of Regulations, and all regulatory references are to this source.

[2] Section 84200, subd. (a).

[3] Sections 84200, subd. (a), and 84206, subd. (a); Regulation 18406, subd. (a).

As you are now in compliance with your reporting requirement, you have no prior enforcement history for failing to file this statement, and you timely filed subsequent Form 470s for 2025 and 2026, the Enforcement Division has decided to close this case with a warning letter, rather than with a monetary penalty (however, please note that your filing officer may separately assess late filing penalties). A warning letter is appropriate in this case because you came into compliance immediately upon service of the Report in Support of a Finding of Probable Cause; the relevant campaign activity was minimal; you do not have a history of violating this section of the Act; and you timely filed your 2026 Form 470 by the July 31, 2026 deadline, demonstrating current compliance with your filing obligations.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Future violations of the Act may result in monetary penalties of up to $5,000 per violation.

A warning letter is an Enforcement Division case resolution without administrative prosecution or fine. The Enforcement Division is authorized to issue warning letters to conclude cases in certain circumstances. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, **please notify us within 10 days from the date of this letter**. Upon this notification, the Enforcement Division will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the Commission's website 10 days from the date of this letter.

If you have any questions regarding this letter, please contact me at smeaglia@fppc.ca.gov or (279) 237-5995.

Sincerely,

Stephanie D. Meaglia
