Warning Letter re FPPC No. 2026-00846; Rosario Rosas

Dear Rosario Rosas,

The Enforcement Division of the Fair Political Practices Commission enforces the provisions of the Political Reform Act[1] (the "Act"). This letter is in response to a referral from the County of Sacramento Voter Registration and Elections regarding your failure to timely file a Form 470 (Campaign Short Form) for your position with the Southgate Recreation and Park District.

The Act requires elected officers who do not have an open committee and do not plan to raise or spend $2,000 or more in a non-election calendar year to file a Form 470 covering the entire calendar year by July 31.[2]

You violated the Act because you failed to file Form 470 for the calendar year 2025 by the July 31 deadline. However, because you have since filed the missing campaign statement, and you have not had a prior violation of this section, the Enforcement Division has decided to close your case with this warning letter rather than a fine. Although the Enforcement Division is closing this case without seeking a penalty, your filing officer, the County of Sacramento Voter Registration and Elections, may assess late filing penalties.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to $5,000 for each violation.

A warning letter is an Enforcement Division case resolution without administrative prosecution or fine. The Commission has adopted Regulations 18360.1 and 18360.2 to authorize the Enforcement Division to issue warning letters to conclude cases in specified circumstances. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather

than a warning, please notify us within 10 days from the date of this letter. Upon this notification, the Enforcement Division will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the Commission's website 10 days from the date of this letter.
