Warning Letter re FPPC No. 2026-00957; Thomas Ingalls

Dear Thomas Ingalls,

The Enforcement Division of the Fair Political Practices Commission ("FPPC") enforces the provisions of the Political Reform Act (the "Act").[1] This letter is in response to a referral from the FPPC's Statement of Economic Interests ("SEI") Unit. The Enforcement Division found that, as a result of your position as a Planning Commissioner for the City of Placentia, the Act required you to periodically file a SEI and that you failed to timely file your 2024 Annual and Leaving Office SEIs.

Section 87200 of the Act requires certain public officials to disclose reportable interests. Every person enumerated within Section 87200 must file an SEI within 30 days of assuming office, annually thereafter at the time specified by Commission regulations, and within 30 days of leaving office.

Your actions violated the Act by failing to file your 2024 Annual and Leaving Office SEIs by the specified deadlines. However, you are no longer in this position, and you have since filed the 2024 Annual and Leaving Office SEIs, which indicate that you do not have reportable economic interests. Additionally, you have no prior Enforcement history. For these reasons, we are closing your case with this warning letter rather than a fine.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to $5,000 for each violation.

Although the Enforcement Division is closing this case without seeking a penalty, you are still required to pay any late filing fees assessed by your filing officer. Please contact your filing officer, Cyndi Glaser, at cglaser@fppc.ca.gov for further information about your required filings. Please note that any future non-filings will be brought to our attention and may result in

The regulations of the Fair Political Practices Commission are contained in Sections 18104 through 18998 of Title 2 of the California Code of Regulations, and all regulatory references are to this source.

monetary penalties. This warning letter may be considered should a future enforcement action become necessary.

A warning letter is an Enforcement Division case resolution without administrative prosecution or fine. The Enforcement Division is authorized to issue warning letters to conclude cases in certain circumstances. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within 10 days from the date of this letter. Upon this notification, the Enforcement Division will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the Commission's website 10 days from the date of this letter.

If you have any questions regarding this letter, please contact Amber Rodriguez at arodriguez@fppc.ca.gov or (279) 237-3756.

Sincerely,

Kendall L.D. Bonebrake
