Warning Letter re FPPC No. 2026-00679; Troy Hinsz

Dear Troy Hinsz,

The Enforcement Division of the Fair Political Practices Commission ("Commission") enforces the provisions of the Political Reform Act[1] (the "Act"). This letter is in response to a referral from the City of Stockton. The Enforcement Division found that, as a result of your position as a Combination Inspector I for the Community Development Department, the Act requires you to periodically file a Statement of Economic Interests ("SEI") and that you failed to timely file your 2024 Annual SEI.

Section 87300 of the Act requires every state and local agency to develop a Conflict of Interest Code. This Code requires individuals who participate in making decisions that may foreseeably have a material financial effect on any financial interest belonging to that person to disclose all reportable interests on SEIs.[2] Individuals required to file SEIs must file within 30 days of assuming office, annually thereafter at the time specified by the Code, and within 30 days of leaving office.[3]

You violated the Act by failing to file your 2024 Annual SEI by the April 1, 2025 deadline. However, you timely filed the 2025 Annual SEI, and you have since filed the 2024 Annual SEI, and the 2024 Annual and 2025 Annual SEIs indicate that you do not have reportable interests. Additionally, you have no prior Enforcement history. For these reasons, the Enforcement Division has decided to close your case with this warning letter rather than a fine.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to $5,000 for each violation.

[1] The Political Reform Act is contained in Government Code sections 81000 through 91014, and all statutory references are to this code. The regulations of the Fair Political Practices Commission are contained in Sections 18104 through 18998 of Title 2 of the California Code of Regulations, and all regulatory references are to this source.

[2] Section 87302, subd. (b).

[3] *Ibid.*

Although the Enforcement Division is closing this case without seeking a penalty, you are still required to pay any late filing fees assessed by your filing officer. Please contact your filing officer, Katherine Roland, at katherine.roland@stocktonca.gov for further information. Any future non-filings may result in monetary penalties and this warning letter may be considered in any future enforcement actions.

A warning letter is an Enforcement Division case resolution without administrative prosecution or fine. The Commission has adopted Regulations 18360.1 and 18360.2 to authorize the Enforcement Division to issue warning letters to conclude cases in specified circumstances. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within 10 days from the date of this letter. Upon this notification, the Enforcement Division will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the Commission's website 10 days from the date of this letter.

If you have any questions regarding this letter, please contact Amber Rodriguez at arodriguez@fppc.ca.gov or (279) 237-3756.

Sincerely,

Kendall L.D. Bonebrake
