Ms. Regina Kutchins
Para Political Practices Commission
Sacramento, CA

Dear Ms. Kutchins:

This office inquired today regarding the applicability of FPPC Regulation-18116, adopted by the commission on 12-8-77, relating to filing deadlines which fall on a Saturday, Sunday or official state holiday.

Although the language of the regulation refers to all statements or reports, the regulation makes reference to Government Code §81005, which deals only with Chapter 4 Campaign Filings.

We inquired whether the regulation also encompasses Government Code §§81005.1 and 81005.2, respectively dealing with Chapter 6 (Lobbying Reports) and Chapter 7 (Statement of Economic Interest Reports).

We were advised by your staff that the regulation includes all types of filings. We intend to rely upon this advice.

Sincerely,

Peter A. Bagatelos
