Subject: Section 86110

The Legislature, in its attempt to agree on a post Proposition 13 budget, continued in session until July 5. Section 86110 requires Section 86107 and Section 86109 reports to be filed during the month following any month "during any part of which" the Legislature is in session. Therefore, although the Legislature only met for 5 days in July, lobbyists, etc. are required to file reports in August covering July.
