Dear Ms. Kaczmar:

Thank you for your letter of March 21, 1979 regarding the campaign statement of Gay W. Harrington of the Inglewood Judicial District.

Government Code Section 81005(e) specifies in part that, "Reports and statements of candidates for and persons holding any elective office...to be voted upon in not more than one county" file an original and one copy with the county clerk.

Therefore, campaign statements for Gay W. Harrington are available for public review at the Campaign Reporting Unit of the Registrar-Recorder of Los Angeles. That address is 808 North Spring Street, Los Angeles.

If our office can be of further assistance, please do not hesitate to contact us.

Sincerely,

Dear Ms. Wallace:

This letter is to confirm our telephone conversation of March 7, 1979.

The question you posed was whether or not a penalty that has been assessed a committee included the date of the postmark of that campaign statement that was mailed, or the date that your office actually received the campaign statement?

I advised that the penalty should include and end on the date of the postmark of the mailed campaign statement. The same principal that is used for campaign statements which are mailed must be postmarked by no later than midnight of the date on which the campaign statement is due is applicable. This advice has been confirmed by Barbara Campbell of our Legal Division in Sacramento. I have enclosed a copy of a factsheet which the Commission has developed for the filing of campaign statements by mail (Government Code Section 81007) for your information.

If our office can be of further assistance, please do not hesitate to call.

Sincerely,

Helen P. Andino
