Dear Mr. Chandler:

Enclosed are copies of form 461 which you requested.

Government Code Section 84303 states, "No expenditure shall be made, other than overhead or normal operating expenses, by an agent or independent contractor, including but not limited to an advertising agency, on behalf of or for the benefit of any candidate or committee unless it is reported by the candidate or committee as if the expenditure were made directly by the candidate or committee, unless the agent or independent contractor files a campaign statement reporting the expenditure. The agent or independent contractor shall make known to the candidate or committee all information required to be reported by this section."

Therefore, if you, as an "independent contractor," do not wish to itemize the expenditures made in behalf of a political campaign to the campaign which hires you, you are then required to file a form 461 itemizing those expenditures made in behalf of the campaign.

I have also enclosed a copy of our Informational Manual as well as a filing schedule for 1980 which will tell you when and where to file as an Independent Expenditure Committee. If you wouldn't mind, our office would like to receive copies of your 1980 campaign filings as well.

If I can be of any further assistance, please do not hesitate to contact me.

Sincerely,

Helen P. Arriola
