Dear Mr. Ito:

This letter is to confirm my advice to you during our telephone conversation on Tuesday, February 17, 1981 regarding late contribution reports.

The question you specifically asked was, where does a general purpose committee, the donor of a late contribution file late contribution reports required by the Political Reform Act?

Government Code Section 84206(a), in part, states "Each... committee that makes... a late contribution shall report the late contribution to each office with which the... committee is required to file its next campaign statement...."

Therefore, I advised that the general purpose committee will file a late contribution report with the same filing officers with which the committee files its regular campaign statements.

I hope this information is helpful to you. Please do not hesitate to contact our office if we can be of any further assistance to you and your staff.

Sincerely,

A handwritten signature in cursive script, appearing to read "Helen P. Arriola".
