RE: Your Request for Advice
Our File No. A-88-030

Dear Mr. Lockwood:

You have requested advice concerning the conflict of interest provisions of the Political Reform Act (the "Act").^{1/}

QUESTION

Are city councilmembers and mayors required to disclose on a Statement of Economic Interests income received from a local government agency or commission such as the redevelopment commission, airport authority, or regional sanitation district?

CONCLUSION

Salary, reimbursements for expenses and per diem from local governmental agencies are not reportable on an official's Statement of Economic Interests, Form 721 or Form 730.

ANALYSIS

Under the Act's conflict of interest provisions, elected officials are required to file Statements of Economic Interests. (Section 87100, et seq.) On an annual Statement of Economic Interests, elected officials are required to disclose, among other things, certain sources of income received during the period covered by the statement. (Section 87207(a)(1).) The term "income" is defined in Section 82030. Section 82030 provides, in part, that income does not include:

Salary and reimbursement for expenses or per diem received from a state, local, or federal government agency...

(Section 82030(b)(2).)

^{1/}Government Code Sections 81000-91015. All statutory references are to the Government Code unless otherwise indicated. Commission regulations appear at 2 California Code of Regulations Section 18000, et seq. All references to regulations are to Title 2, Division 6 of the California Code of Regulations.
