Re: Our File No. G-88-317

Dear Ms. Tullo:

We have received your letter concerning the status of the proposed regulation concerning payments for lobbying services (2 California Code of Regulations Section 18614). On June 8, 1988, the Commission approved Regulation 18614 for adoption. We anticipate the regulation will become effective in late September.

Enclosed is a copy of the regulation adopted by the Commission. To provide the background information you requested, I also have enclosed a copy of the notice and statement of reasons for the regulation, as well as a copy of the staff memorandum presented to the Commission at the June 8 meeting.

Questions about lobbying firm registration and reporting may be addressed to our Technical Assistance and Analysis Division at (916) 322-5662.

Sincerely,

*Kathryn E. Donovan*

Dear Ms. Donovan,

Our company is currently registering as a lobbying firm. Inside the Lobbyist Package that we received, there was a Lobbying Newsletter that made reference to the Proposed Regulation 18614--Lobbying Services. The date of the Commission's meeting was April 5, 1988. We would like to know the result of that meeting, and the Proposed Regulation's implications to a lobbying firm-if possible. Any documentation of the Regulation would be helpful.

We appreciate your time on this matter. Our company is moving to Sacramento at the end of this month. We are an environmental consulting firm and are very anxious to move to the capital and get started with our new opportunities. Becoming a lobbying firm is a new field for us, and we are thankful for your assistance.

Sincerely yours,

Jennie Tullo  
Legislative Assistant
