**Re: Your Request for Advice  
Our File No. G-02-220**

Dear Mr. Christensen:

This letter is in response to your request for advice regarding the provisions of the Political Reform Act (the "Act").<sup>1</sup> As specified on our web site, the role of the Political Reform Act (the "Act") is as follows:

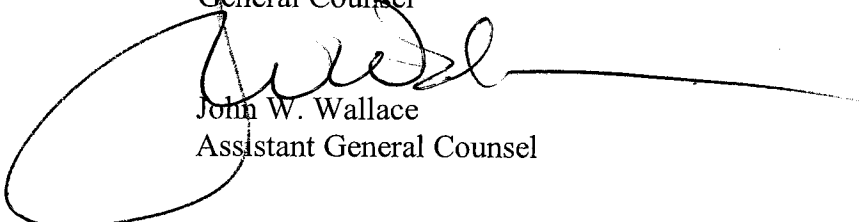

The mission of the FAIR POLITICAL PRACTICES COMMISSION is to promote the integrity of representative state and local government in California through fair, impartial interpretation and enforcement of political campaign, lobbying, and conflict of interest laws.

It does not appear from the limited information you forwarded, that you or your attorney are public officials regulated under the purview of the Act. Regulation 18329(b)(8)(D) provides that the Commission may decline to provide advice where the request does not present a question under the Political Reform Act. (See also, Reg. 18329(c)(4)(F), copy enclosed.) Thus, we would not be the agency to respond to your request.

Also enclosed is a pamphlet entitled, "Can I Vote?" which may assist you when determining whether a conflict exists on a particular issue before you or your attorney. Should you have any additional questions, please contact me at (916) 322-5660.

Sincerely,

Luisa Menchaca  
General Counsel

John W. Wallace  
Assistant General Counsel
