

## What is an “independent expenditure”?

An “independent expenditure” is an expenditure made in connection with a communication (e.g., a billboard, advertisement, or mailing) that expressly advocates the election or defeat of a clearly identified candidate or the qualification, passage, or defeat of a clearly identified measure.<sup>1</sup> An independent expenditure is a payment that is not made to—or at the behest of—the affected candidate or committee.

## Independent Expenditures in Connection with STATE Elections – When and Where to File a 24-hour/10-day Independent Expenditure Report Form 496

**When:** A 24-hour Independent Expenditure Report Form 496 is due within **24 hours** when:

- Independent expenditures that total in the aggregate \$1,000 or more are made to support or oppose a single state candidate or a single state ballot measure in the 90 days before or on the date of the candidate’s or measure’s election.

A 10-day Independent Expenditure Report Form 496 is due within **10 business days** when:

- A recipient committee that is required to file electronically with the Secretary of State makes independent expenditures totaling \$5,000 or more to support or oppose the qualification or passage of a single state ballot measure outside the **90-day** election cycle.

**Where:** File Independent Expenditure Reports Form 496 electronically with the Secretary of State ([www.sos.ca.gov](http://www.sos.ca.gov)). No paper copies are required and no copies are required to be filed with other filing officers.

A committee that makes independent expenditures in connection with a CalPERS or CalSTRS election must also file a copy with the relevant board’s office.

## Independent Expenditures in Connection with LOCAL Elections – When and Where to File a Form 496

**When:** A Form 496 is due within **24 hours** when:

- Independent expenditures that total in the aggregate \$1,000 or more are made to support or oppose a single local candidate or a single local ballot measure in the 90 days before or on the date of the candidate’s or measure’s election.

A Form 496 is due within **10 business days** when:

- A recipient committee makes independent expenditures totaling \$5,000 or more to support or oppose the **qualification** of a single local ballot measure.

**Where:** File Form 496 by **fax**, guaranteed overnight delivery, personal delivery or email with the filing officer(s) who would receive your campaign **reports statements** if you were a committee primarily formed to support or oppose the candidate or ballot measure supported or opposed by the independent expenditure. In most cases this is the filing officer with whom the candidate or ballot measure committee files. Regular mail may not be used. A local ordinance may also require this form to be filed electronically.

## Other Important Information

- **Candidates:** Form 496 is not required for expenditures supporting your election that are made from your committee, including expenditures opposing an opponent.
- **Ballot Measure Committees:** A primarily formed ballot measure committee does not file Form 496 for expenditures made in support of its campaign.
- All independent expenditures reported on Form 496 must also be reported on subsequent campaign reports (i.e., **pre-election, semi-annual, quarterly, etc. Forms 460, 450 or 461**).

- **Form 462 – Verification of Independent Expenditures** is also required to be filed when an independent expenditure that totals in the aggregate \$1,000 or more is made. The principal officer, or in the case of a controlled committee, the candidate or state measure proponent who controls the committee, must verify that he/she has not received any unreported money or reimbursement to make the independent expenditures and has not coordinated with the candidate or the opponent of the candidate or the proponent or the opponent of the state measure that is the subject of the expenditure. Form 462 must be filed with the Fair Political Practices Commission.
- **CalPERS and CalSTRS Candidates:** The date of the election is the deadline to return ballots.

## Reporting Examples

- A state general purpose committee makes an independent expenditure by paying for an advertisement opposing two city council candidates. The ad costs \$4,000 and features the candidates equally. The committee must file a separate **24-hour Independent Expenditure Report Form 496** with the city clerk’s office for each candidate within 24 hours and disclose \$2,000 for each candidate.
- A committee makes a \$500 independent expenditure to support a candidate 60 days before the candidate’s election and a second independent expenditure for the same candidate of \$600, 20 days before the election. A **24-hour Independent Expenditure Report Form 496** is required 24 hours after the second independent expenditure.
